President's Message

Dear Esteemed Members of IADVL,

I extend my monsoon greetings to you.

I would like to convey my sincere gratitude for your commitment to our association and your support. Your involvement in Vitiligo Day competitions, your submissions for various activities, such as the sister society meeting at international conferences, the mentorship program, or research funds, or being a part of the collective expertise that gave us a Guinness World Record. As we approach our Central Council Meeting, I appreciate the wisdom and leadership that many of you have demonstrated. It will be crucial in determining the course of our society and guaranteeing that we stay at the forefront of dermatological practice, research, teaching, and member welfare initiatives. Your participation keeps us functioning and contributes to preserving the IADVL culture.

Although we have come a long way, much remains to be done. Let's keep working together to improve the way our society functions and touch the lives of the patients we serve. Thanks again for your dedication and service. I am confident that, with your support, our association will continue to thrive and make significant strides in the years to come.

Long live IADVL.

Dr. Manjunath Shenoy M
President IADVL

Message of President-Elect

Namaste IADVL

Dear Members, Colleagues, and Friends,

It is with immense pride and humility that I step into the role of President-Elect of the IADVL for this year. This position is a tremendous honor and a significant responsibility, one that I am committed to fulfilling as we work together to bring even greater accolades to our esteemed association.

We have already had productive discussions with various committees and government officials, laying the groundwork for initiatives that will take our association to new heights. Our plans include the implementation of innovative schemes and much more. I am especially proud to have contributed to our achievement of a Guinness World Record for the most pledges for dermatological diseases in 24 hours-a testament to what we can accomplish when we unite our efforts.

I was also delighted to participate in the launch of a commemorative postal stamp and a drawing competition on world Vitiligo Day, alongside the Executive Committee, on June 25th, 2024. Moving forward, we will focus on ensuring our financial stability and the growth of our academic endeavors. Additionally, it is essential that we continue to expand our international presence through collaboration with sister societies around the world.

I would like to extend my heartfelt congratulations to President Dr. Manjunath Shenoy, Honorary Secretary General Dr. Bhumesh Kumar Katakam, and the entire Executive Committee for their successful year of outstanding community and academic work.

Long live IADVL!

Rajeev Sharma

Message of Immediate Past President

Dear IADVLites,

It gives me a great pleasure to pen few words as we see very dynamic EC team working hard to take our organization to the next level under the leadership of Dr Manjunath and Dr Bhumesh Kumar.

Apart from several academic programs, Guiness book record is a phenomenal achievement. Our international presence has been continuos.

May this EC get more laurels in the coming days.

Long live IADVL!

Dr. Vijay Zawar

Immediate Past President, IADVL

Honorary Secretary General Speaks

Namaste IADVL,

Dear esteemed IADVLites and esteemed colleagues,

I am delighted to share that I have completed six months as Honorary Secretary General of IADVL, the second-largest association of dermatologists in the world with over 17,705 members. I hope I have met the expectations and justified the trust you have placed in me.

Over the last quarter, we have seen a significant flow of activities, including:IADVL Member Website Launch, Wellness Taskforce Inauguration and Activities, Achieving a Guinness World Record for the highest number of pledges for a dermatological disease awareness campaign in 24 hours, World Vitiligo Day Postal Card Release and Press Meet, Launch of the IADVL Public Domain Website* by Prof. Henry Lim, President of ILDS, as the Chief Guest,SIG Workshops and CMEs,World Vitiligo Day Activities, Meetings with Government Officials for implementing various member and public welfare activities,Observing World Skin Health Day,Coordinating with Media for public awareness on skin health,Coordinating with State Presidents and Secretaries to implement national and presidential project activities at state and regional levels, Streamlining and Regulating Committee Projects, Timely Completion of Membership Processes through OMAS,Updating Websites.

I extend my sincere gratitude to the EC 2024 for their constant guidance, encouragement and cooperation.

The process for IADVL Elections 2024 is already underway. We have a good number of candidates contesting for various posts in the National Executive for the coming year, as well as bidders for DERMACON INTERNATIONAL 2027 and MIDDERMACON 2026. I wish all the contestants and bidding cities the very best and urge our members to exercise their voting rights.

I am also pleased to share information about the DVL Welfare Trust membership, a service oriented toward our members and their families. I strongly recommend all to join.

Our association offers several opportunities for publications, research grants, observer ships, and scholarships. I urge members, especially young dermatologists and residents, to utilize these opportunities.

I request all Provisional Life Members (PLM) of IADVL who have obtained a postgraduate degree/ diploma in Dermatology and registered their PG qualification with the MCI/State Medical Council to convert to Life Members (LM) before the lapse of their five years of provisional membership. Conversion from PLM to LM can be done through the Online Membership Application System (OMAS) on the IADVL website (www.iadvl.org). I also urge all life members to sign up on the website, register for e-voting, and join the DVL Welfare Trust.

Our membership is strong with 17,705 members: 12,727 LM, 4,673 PLM, 296 AM, and 9 ILM.

I extend a warm welcome to all Central Council (CC) members and CCM invitees and look forward to fruitful discussions at the business meetings of the association. I encourage everyone to support all activities of IADVL and help strengthen our organization further.

In Secretary report, Dr Bhumesh will mention about the complaint, and inform it was referred to CFC.

Long Live IADVL!
Warm Regards,

Dr. Bhumesh Kumar Katakam, MD-DVL, DCH

PROPOSED INVESTMENT STRATEGY:

Allocate 40% of savings to Fixed Deposits (FDR), 50% to Mutual Funds and 10% Govt Bond and other Securities each year, ensuring a balanced mix of risk and return.

MUTUAL FUND ALLOCATION BY RISK:

High Risk (60% of Mutual Fund Allocation)

- ICICI Large & Mid Cap
- SBI Contra Fund
- HDFC Flexi Bond
- Axis Bluechip Fund
- HDFC Top 100 Fund
- SBI Large & Mid Cap Fund
- HDFC Balanced Advantage Fund
- ICICI Equity and Debt Fund

- ICICI Blue chip Fund
- Kotak Emerging Equity Fund

Moderate Risk (30% of Mutual Fund Allocation)

- HDFC Regular Savings Fund
- SBI Conservative Hybrid
- HDFC Equity Savings Fund
- UTI Equity Saving Fund
- Kotak Debt Hybrid Fund
- HDFC Hybrid Debt Fund

Low Risk (10% of Mutual Fund Allocation)

- ICICI Prudential Gilt Fund
- SBI Magnum Gilt Fund
- HDFC Floating Rate Debt Fund
- UTI Treasury Advantage Fund
- Bandhan Govt Securities Fund
- Aditya Birla Sun Life Floating Rate Fund

RECOMMENDATIONS :

1. **Monitor Performance:** Regularly review the performance of mutual funds.
2. **Diversification:** Ensure a balanced mix of high, moderate, and low-risk investments to mitigate risks and optimize returns.
3. **Adjust Allocation:** Reallocate investments based on market conditions, economic outlook, and performance of the funds.

IDOJ on Publons

Now, the IDOJ is integrated into PUBLONS (Wos reviewer recognition system) and the reviewers now can claim credit to their reviews.

IDOJ: Discontinuation of complimentary copies to all medical colleges.

As decided by AGBM, held at Hyderabad, we have drafted a letter and sent to all medical colleges (HOD DVL and the librarians). The same letter was circulated in all IADVL official groups by Hon.Secretary General, Dr Bhumesh Kumar. The letter is attached below. The complimentary copies will be discontinued from January-February 2025 issue.

IDOJ editorial board meeting

IDOJ conducted its editorial board meeting on 21st July 2024 at IADVL head quarter's office, New Delhi. The editors and the editorial board members, Dr Manjunath Shenoy (President IADVL), Dr Bhumesh Kumar Katakam (Hon. Secretary General, IADVL), graced the occasion with their presence. Issues regarding

submission platform, reviewer difficulties, and section editor's concerns and the production problems were discussed and found out reasonable solutions. It was ddecided that most of the manuscripts accepted under "Letters to the Editor" section will be in ONLINE issue only. Only few letters, as decided by the editorial team will appear in the print issue. The same will be mentioned in the "Information to authors" and to the authors at the time of acceptance. The Issues regarding MOU renewal were discussed with Mr.Vikas Chawla, CEO of the WK publishing house, India.

Report of IJPGD

(March 2024 - July 2024)

Yogesh Marfatia
Editor-in-chief

Ananta Khurana
Associate Editor

The Indian Journal of Postgraduate Dermatology (IJPGD), an official publication of the Indian Association of Dermatologists, Venereologists and Leprologists (IADVL), is the first dermatology journal focussed on Dermatology residents worldwide.

IJPGD is a bi-annual, open access, online and print journal, which has released four issues so far. It is a peer reviewed journal devoted to publishing novel and high quality original research, case descriptions, snippets and review articles on various disciplines of dermatology including Sexually Transmitted Diseases and Leprosy. Another major focus of the journal is on medical education pertaining to undergraduate and post graduate dermatology teaching methodologies and innovations.

The submissions to the journal have been a sharp upwards curve since its inception. And encouragingly, most of the submissions have been from residents and faculty of teaching institutes. Being the first journal targeted towards Dermatology residents, this is gratifying for the IJPGD editorial board.In addition, we strive to involve interested residents in the peer review process as well, giving them a chance at understanding the scientific publishing process.

The best articles published in the journal under different categories are awarded. The awardees for the first volume (for the year 2023) are such as the following :

Best paper in Postgraduate Thesis section: "Study of Cutaneous Manifestations and Nail fold Capillaroscopic findings in Diabetes Mellitus and their correlation with Diabetic Retinopathy and Nephropathy- A Cross Sectional Observational Study" by Ruchi J. Shah, Yogesh Marfatia, Keshav J.Shah, Ruchit Shah.

Best original article: "Dermoscopic Features of Perilesional Skin of Unstable Vitiligo: A Cross-Sectional Study" by Charvi Chanana, Niti Khunger.

Best review article- Faculty Forum: "Dermatology Residency and an Approach to the MD Examination: A Primer for Postgraduate Students", Kabir Sardana, Surabhi Sinha and Sinu Rose Mathachan.

Best case series: "Exacerbation of Pre-Existing Dermatoses Following Covid-19 Vaccination: A Case Series from Eastern India" Farheen Begum, Maitreyee Panda, Akash Agarwal.

Best Case Report: "Childhood Onset Erythrokeratoderma En Cocardes Treated with Oral Acitretin" Soumya Jagadeesan, Prasanna Duraisamy, Vinitha Varghese Panicker, Gopikrishnan Anjaneyan, Lekshmi Sajini, Sreedevan Velayudhan, Jacob Thomas.

IJPGD has also been consistently receiving submissions from outside the country, highlighting the gradually increasing awareness about this focussed journal. We hope to apply for PubMed indexation after a few more issues which shall provide further incentive to Dermatology residents to contribute towards IJPGD. We solicit submissions of good quality articles and your participation as a reviewer.

New introduction in the IADVL

Proposal: **Organization of PEDDERMACON Biennial conference on the format similar to DERMACON/MIDDERMACON.**

- PEDDERMACON will be conducted as once in two year (Biennial) conference in the month of November (preferably, but not obligatory during the week around Children's Day) on a rotation basis
- Members of IADVL EC, Academy, SIG Pediatric Dermatology along with the local

organizing committee will be involved in development of the scientific program

- Bidding and conduction of PEDDERMACON yearly conference will be arranged on the lines similar to DERMACON/MIDDERMACON in association with IADVL SIG PEDIATRIC DERMATOLOGY

How will it help IADVL?

Brief introduction.

Children with dermatologic complaints are seen by both the pediatricians (who at the same time attend to other children with non-dermatologic diseases) and the dermatologists (who at the same time attend to adults with other dermatologic diseases). Hence, a yearly national conference on pediatric dermatology on the name of PEDDERMACON shall be able to focus more on the dermatologic problems only in children and improve the quality of care by decreasing complications with early diagnosis and treatment. This conference, where dermatologists and pediatricians are invited to be the delegates, will be an opportunity for the dermatologists with special interest in pediatric dermatology to update. This conference is currently held under the aegis of SIG Pediatric Dermatology/Academy IADVL, and this proposal will enable it to be conducted under the aegis of IADVL akin to DERMACON and mid DERMACON. This will throw special focus on the subspecialty and smaller cities to host a national conference.

Proposal: Holding the PEDDERMACON 2025 and International Society of Pediatric Dermatology (ISPD) regional convention together

PEDDERMACON is being hosted regularly, and has been an important IADVL and Academy event. It is being held to promote pediatric dermatology as a subspeciality of dermatology. Hosting an international congress with PEDRMACON will enhance the brand image of IADVL at the global dermatology. It will also benefit the IADVL members to attend an international conference in India, and learn from the global KOLs.

How will it help IADVL?

1. The mission statement of IADVL is to collaborate, cooperate, and coordinate with the international organizations. Therefore, holding the ISPD congress in India is consistent with IADVL's goals and mission statement
2. To date, India has not hosted an international conference on pediatric dermatology. This is a wise approach, given the potential for growing the subspecialty in India
3. Our members will gain from sharing scientific data in the field of pediatric dermatology with global key opinion leaders (KOLs), improving their expertise and skills
4. Considering our potential to bid on the WCD, the IADVL brand image needs to be improved. Organizing global conferences can help advance this goal.

Do you think this needs referral to any specific committee?

B. MID DERMACON

(a) A National Conference, known as MID DERMACON, shall be organized every year. Its number, e.g "10th MIDTERM NATIONAL CONFERENCE OF IADVL" shall be mentioned in the next line.

If feasible, it shall be held in August every year, preferably on the 2nd Saturday and Sunday.

(ii) The venue should be decided by election process.

(iii) Its total duration should not be more than 2 days for the conference. But CME can be held one day prior. Two or more parallel sessions of CME can be held one day prior to MIDDERMACON to be called as pre-conference CME may be called 'symposium', 'workshop', Masterclass', 'Master course', Focus session' etc.

3. FINANCIAL ACCOUNTS

c) Of the conference collections, 20% of stall money and 15% of registration collected would be IADVL share, after paying all taxes.

Proposal: To cut down the DERMACON/Preconference CME duration down to three days starting from Thursday and ending on Saturday

Although, MIDDERMACON is conducted for 2 days (Saturday and Sunday) according to the constitution, almost all the previous conferences have hosted preconference CME/workshop, thus making it practically a 3 days conference. The proposal is presented to reduce the number of days of the conference MIDDERMACON to 2 days. This will reduce the conference expense by reducing one dinner and the entire day of deliberations held on Sunday, thus saving the hall rental and other related expenses.

Relevant clauses in the constitution may be modified as follows.

B. MID DERMACON

(a) A National Conference, known as MID DERMACON, shall be organized every year. Its number, e.g "10th MIDTERM NATIONAL CONFERENCE OF IADVL" shall be mentioned in the next line.

(i) If feasible, it shall be held in August or September every year, preferably on a Friday and Saturday.

(ii) The venue should be decided by election process.

(iii) Its total duration should not be more than 2 days for the conference. But CME can be held for half day on day 1. Two or more parallel sessions of CME can be held which may

be called 'symposium', 'workshop', Masterclass', 'Master course', Focus session' etc. No extra charges shall be applicable for the CME.

There will be two lunches and one dinner on Saturday.

If approved, then the next clause shall be discussed.

Page No. 51

3. FINANCIAL ACCOUNTS

Of the conference collections, 30% of stall money and 25% of registration collected would be IADVL share, after paying all taxes.

3. FINANCIAL ACCOUNTS

c) Of the conference collections, 30% of stall money and 25% of registration collected would be IADVL share (affiliation amount). After paying all the taxes, 75% of affiliation amount should be transferred to IADVL during DERMACON and the balance 25% must be credited to IADVL within a month of finalizing the accounts, and not later than next Central Council meeting at any cost.

How will it help IADVL?

1. Over all conference expense will reduce, and thus dependency on pharma companies. It can allow reduction in the registration fee for the delegates.
2. It is generally observed that the attendance of delegates is very less on the last day of MIDDERMACON (Sunday). By not hosting the conference on Sunday, the day can be utilized for the sightseeing or return travel.
3. Given the stringent regulations by the government on pharmaceutical companies and medical associations, funding for the conferences may be compromised in the future. Hence, it is important to reduce the conference expenses.
4. Reduced conference expense will also result in increased savings. Hence, the affiliate to the IADVL amount shall be increased by 10%.

Do you think this needs referral to any specific committee?

Proposal: To increase the international conference budget of the president and Hon Secretary General from Rs. 1.5 lakh to 5 Lakh

Details: In order to host the IADVL events, the President and the Honorary Secretary General must be present in the international conferences where IADVL sister society meetings or similar meetings are conducted. Currently approved sum of Rs 1.5 Lakh are grossly inadequate to arrange their trip and other expenses like VISA procedure. Hence an increment in the budget is requested. This can be claimed for the conferences where IADVL sister society session or similar sessions are held.

How will it help IADVL?

The president and the honorary secretary general's attendance at international conferences helps the IADVL build its worldwide brand and may support its bid to organize WCD and other international conferences.

Do you think this needs referral to any specific committee?

Clause (v) Timetable for IADVL election:

In all below days, the day will end at midnight on the day mentioned

Invitation by the Honorary Secretary General for applications for various posts and bids for DERMACON and MIDDERMACON for which the election will be held: 15th May.

Last date for filing nominations along with fee: 15th June

Last date for bidding for DERMACON/MID DERMACON: 15th June

Last date for withdrawal of nominations / bids: 15th July

Announcement of valid candidates / bids: 16th July

Cut-off date for electoral roll: 31st July

Last date to raise any objection by a member or a candidate about the election process or the validity of candidates: 31st July

Canvassing from 1st August till 31st October

Last date for registration for e-voting: 24th September

Opening of e-voting: 1st October

Closure of e-voting: Midnight of 31st October

Counting of e-votes: First Sunday after the close of voting

Filing of objections, if any, to Election Officer: Within one-week post-counting.

Declaration of results on e-groups and website: 8th day post- counting. Clause (l) - All

Proposal: To shorten the IADVL electronic voting period from one month to one week

IADVL e-voting is available from October 1 through October 31. EC observations show that most voting usually takes place in the first and last few days. Members may decide to vote at a later time, but they may end up forgetting to do so. This implies that a far shorter period should be used instead of the current one of one month, which is successfully implementing in IAP with 35000 members strength. Our recent Guinness World Record experience was a promising result, as nearly 60% of the life members pledged in a 24-hour period(5000 pledges took place within 4 hours). Based on this experience, a shorter schedule would be more appropriate for higher voter turnout. Hence two lines in the clause (v) may be replaced as

Opening of e-voting: 24th October

Closure of e-voting: Midnight of 31st October

How will it help IADVL?

A, It will reduce the stress and economic burden on the candidates facing the election.

B, Voter turnout may actually increase as a result of shortening the E voting timeline.

C, Minimize disturbances to the primary members by repeated messages,phone calls etc.

After paying all the taxes, 75% of affiliation amount should be transferred to IADVL during DERMACON and the balance 25% must be credited to IADVL within a month of finalizing the accounts, and not later than next Central Council meeting at any cost.

Proposal: To cut down the DERMACON/Preconference CME duration down to three days starting from Thursday and ending on Saturday

Although, DERMACON is conducted for 3 days (Friday to Sunday) according to the constitution, almost all the previous conferences have hosted preconference CME/workshop, thus making it practically a 4 days conference. The proposal is presented to reduce the number of days of the conference DERMACON to 3 days. This will reduce the conference expense by reducing one dinner and the entire day of deliberations held on Sunday, thus saving the hall rental and other related expenses.

Relevant clauses in the constitution may be modified as follows.

a) A National Conference, known as DERMACON, shall be organized every year. Its number, e.g."36th national Conference of the IADVL" shall be written in the next line. it should be organized as DERMACON INTERNATIONAL once every four years in the year of the World Congress of Dermatology.

i. It shall be held in January or February every year, preferably on the **Thursday, Friday, Saturday**

ii. .....

iii. Its total duration should not be more than 3 days including the workshop. Two or more parallel sessions of workshop can be held on day one of the DERMACON for the entire day or half day, to be called as DERMACON workshop. Sessions at the workshop may be called as workshop, symposium, masterclass, focus sessions etc. Conference registration fee should include the fee for the workshop.

(f) On the first and second days of the conference, dinners should be hosted by the organizing committee. It will be an inauguration dinner on Day 1 and a banquet on Day 2. There is no dinner served on day 3.

If approved, then the next clause shall be discussed.

3. FINANCIAL ACCOUNTS

d) Of the conference collections, 30% of stall money and 25% of registration collected would be IADVL share (affiliation amount). After paying all the taxes, 75% of affiliation amount should be transferred to IADVL during DERMACON and the balance 25% must be credited to IADVL within a month of finalizing the accounts, and not later than next Central Council meeting at any cost.

How will it help IADVL?

1. Over all conference expense will reduce, and thus dependency on pharma companies. It can allow reduction in the registration fee for the delegates.
2. It is generally observed that the attendance of delegates is very less on the last day of DERMACON (Sunday). By not hosting the conference on Sunday, the day can be utilized for the sightseeing or return travel.
3. Given the stringent regulations by the government on pharmaceutical companies and medical associations, funding for the conferences may be compromised in the future. Hence, it is important to reduce the conference expenses.
4. Reduced conference expense will also result in increased savings. Hence, the affiliate to the IADVL amount shall be increased by 10%.

- Clause (I) - All President Elect candidates and bidding cities will be given time to address the CC MIDDERMA MEET to put forward their vision. The time allotted shall be 5 minutes for presidential candidates and 10 minutes for bidding cities. A

separate time shall be allotted during dinner time after business hours during CC MID- DERMA MEET.

Proposal: Introduction of online IADVL presidential debate and IADVL DERMACON debate of the bidding teams

It is observed that the time allotted for the presidential candidates and the bidding cities during the CC meeting is very less and is allotted during the dinner time after business hours when most of the members are enjoying their dinner. It is also true that due to very exhaustive business schedules of the CC meeting, it is difficult to allot more time. An online debate of the presidential candidates and the bidding cities arranged by the national EC is likely to be more useful exercise for the candidates and bidders to express their vision. If this proposal is approved, there will be no invitation for the presidential candidates and the bidding team to the CC meeting. Apart from the president and the bidding city, opportunity may be provided to other contesting candidates and MIDDERMACON bidders too.

Hence the clause (l) may be replaced as

- All President Elect candidates and bidding cities will be given time to address the IADVL members online to put forward their vision. The time allotted shall be 10 minutes for presidential candidates and 15 minutes for bidding cities. Using a multimedia presentation, the presidential candidate and the organizing secretary or chairperson on behalf of the DERMACON bidding cities will express their vision. If elections are held for other posts, all candidates and the MIDDERMACON bidding cities may be provided with 5 minutes each to express their vision. This will be referred to as the IADVL DERMACON debate and the IADVL presidential debate, respectively. It has to take place no later than two weeks before the election.

How will it help IADVL?

This will make the visions of the bidding cities and presidential candidates available to all IADVL members, not just the CC members. This will make members to choose their

candidates and city more rationally; voter turnout is expected to rise as a result of this arrangement.

Proposal
The Indian Association of Dermatologists, Venereologists and Leprologists (IADVL) has been committed to fostering academic growth and professional development among its members. To further enhance this mission, we propose a revision to the eligibility criteria for the IADVL scholarship for attending national and international conferences. The current criteria allow members to avail one national and one international scholarship during their lifetime. The proposed changes aim to offer more opportunities for continuous learning and professional development, particularly accommodating the needs of members at different stages of their careers.

Current Eligibility Criteria
Members can avail:

- One national scholarship during their lifetime
- One international scholarship during their lifetime

Proposed Eligibility Criteria

For Members Below 40 Years of Age

- One national scholarship during their lifetime
- One international scholarship during their lifetime

For Members 40 Years and Above

- One national scholarship every five years
- One international scholarship every five years

Implementation

The proposed eligibility criteria changes can be implemented starting from the next year. The following steps are recommended for smooth implementation:

1. Notification to Members: Communicate the changes to all IADVL members through email, newsletters, and official website updates.
2. Application Process Update: Revise the scholarship application forms and guidelines to reflect the new eligibility criteria.
3. Monitoring and Review: Establish a system for tracking scholarship grants to ensure adherence to the new criteria (online submission portal through academy central). Conduct periodic reviews to assess the impact and effectiveness of the changes.

How will it help IADVL?

- **Encouraging Lifelong Learning**: The proposed changes aim to encourage lifelong learning and professional development by members of IADVL. By allowing more frequent access to scholarships, members can stay updated with the latest advancements and practices in dermatology.
- **Catering to Career Stages**: Members below 40 years are often in the earlier stages of their careers and may benefit from foundational exposure to conferences.

  Members above 40 years, who are likely to be in mid-to-late career stages, can benefit from periodic refreshers and advanced learning opportunities every five years.
- **Enhanced Contribution to the Field**: Continuous learning and exposure to national and international forums will enable members to bring back advanced knowledge, innovative practices, and global standards to their local practices and the broader dermatological community.
- **Increased Engagement and Retention**: Providing more opportunities for scholarship access can increase member engagement and satisfaction, potentially leading to higher retention rates within the IADVL.

EC comments:

There should be a minimum of five years between two scholarships awarded to the same member in any category.

If constitutional – will it replace existing clause? Or modify? Give detail of the clause – page no. and clause no.: Not applicable

Proposal
The Indian Association of Dermatologists, Venereologists and Leprologists (IADVL) is dedicated to supporting the academic and professional growth of its members. In light of changing economic conditions and inflation, we propose an increase in the stipendamount for Category 1 observership recipients (life members below 35 years). Thisincrease will help ensure that our members receive adequate financial support to cover their living expenses during their observerships, enabling them to focus fully on their learning and professional development.

Current Stipend Structure

1. 4-Week Observership: ₹10,000
2. 3-Month Observership: ₹10,000 per month

Proposed Stipend Structure

1. 4-Week Observership: ₹15,000
2. 4-Month Observership: ₹30,000 per month

Financial Implications

The proposed increase in stipends will have budgetary implications for the IADVL. However, the long-term benefits of better-trained, highly motivated members who can contribute significantly to the field of dermatology justify this investment. We propose that the additional funds be allocated from the existing budget surplus or through targeted fundraising initiatives.

Implementation

To implement the proposed changes effectively, the following steps are recommended:

Approval from the CC: Seek formal approval from the IADVL CC to increase the stipend amounts.

Update Guidelines: Revise the observership guidelines and application forms to reflect the new stipend amounts (to be applicable from next year).

Communication to Members: Inform all eligible members about the increased stipends through email, newsletters, and updates on the IADVL website.

Monitor and Review: Establish a system to monitor the disbursement of the new stipend amounts and review the financial impact periodically (through online submission portal, academy central).

How will it help IADVL?

It helps the members of IADVL due to

1. **Adjusting for Inflation**: The cost of living has increased significantly over the years. The proposed stipend adjustment reflects these changes, ensuring that members can meet their expenses adequately during their observerships.
2. **Encouraging Participation**: By offering a higher stipend, we aim to encourage more young members to take advantage of the observership opportunities without financial constraints being a barrier.
3. **Supporting Comprehensive Learning**: An increased stipend will allow members to focus entirely on their learning experiences without the distraction of financial concerns, thereby enhancing the overall quality of their observership.
4. **Attracting Talent**: Providing competitive financial support can attract more talented young dermatologists to the IADVL observership programs, enriching the learning environment and fostering a culture of excellence.

Proposal
The Indian Association of Dermatologists, Venereologists and Leprologists (IADVL) has consistently strived to promote academic excellence and professional development among its members. As part of our ongoing efforts to recognize and reward outstanding research, we propose the introduction of an IADVL Thesis-Based E-Poster Award at DERMACON and MIDDERMACON. This new award will complement the existing oral presentation sessions and provide an additional platform for showcasing high-quality research conducted by our members.

Current Awards and Presentations
At present, IADVL recognizes thesis-based research through oral presentations at DERMACON and MIDDERMACON (PG thesis award sessions). These sessions have been instrumental in encouraging members to present their thesis work and have been well-received within the community.
Proposed Addition: Thesis-Based E-Poster Award

Award Categories

We propose the following categories for the IADVL Thesis-Based E-Poster Award:

1. **Best Thesis-Based E-Poster (National)**: Awarded at DERMACON
2. **Best Thesis-Based E-Poster (Regional)**: Awarded at MIDDERMACON

Eligibility: This thesis-based award will be open to all postgraduates who have completed and submitted their thesis by the last date of abstract submission or have cleared the exam in the preceding 2 years.

The application must be forwarded by the Chief guide/supervisor of the postgraduate. It is mandatory for the PG student to himself/ herself present the paper. Pre-registration for the conference will be mandatory for the postgraduates whose abstract is selected for this session.

The candidates are required to submit an ethical clearance certificate from the Institutional Ethics Committee. An undertaking that the proposed thesis is their original study plan and there are no conflicts of interest has to be signed by the applicant, guide and co-guide (if applicable) and submitted (sample format attached). Any paper selected in this category, will not be considered for free or award paper in the same conference.

The evaluation shall be carried out by the IADVL Academy members with a pre-structured evaluation sheet as done for PG thesis based oral presentation.

Awards: There are 3 awards for this session and the winners (both the chief guide and postgraduate) will be awarded with a certificate and Rs 5000, 4000, 3000 each for the first, second and third prize, respectively.

Implementation

1. **Call for Submissions**: Announce the introduction of the e-poster award and invite submissions from eligible members from next year.
2. **Review and Selection**: Done online through academy central
3. **Award Presentation**: Present the awards during the valedictory at DERMACON and MIDDERMACON.

Financial Implications

The financial implications for introducing the e-poster award are minimal. The primary costs involved will include the creation of certificates and prizes for the winners.

How will it help IADVL?

- **Enhanced Visibility for Research**: The e-poster format allows for broader dissemination of research findings, reaching a wider audience and enabling more in-depth discussions during the conference.

- **Increased Participation**: Introducing an e-poster award will provide an additional opportunity for members to present their work, thereby increasing participation and engagement at DERMACON and MIDDERMACON.
- **Recognition of Excellence**: The new award will recognize and reward outstanding thesis-based research, encouraging more members to undertake high-quality research projects.
- **Flexibility and Convenience**: E-posters offer flexibility in terms of presentation and can be accessed at any time during the conference, allowing for greater convenience for both presenters and attendees.

Proposal

The Indian Association of Dermatologists, Venereologists and Leprologists (IADVL) is dedicated to supporting the academic and professional growth of its members. We propose to establish the position of IADVL E-Librarian for the efficient cataloguing and management of IADVL books, ensuring the accessibility and organization of resources for members, ensuring continuity to book publication and keeping a track of royalties due for the association and coordinating new editions of textbooks.

Eligibility Criteria

- The Immediate Past Convener will be eligible for the position of IADVL E-Librarian as they are ex officio members of the Academy and are well-versed with ongoing textbook projects.
- If the Immediate Past Convener declines, one of the immediate past joint conveners or past-convener may be considered.
- The nomination will be made by the Incumbent President, Immediate Past President, and President Elect.

Term

The term for the IADVL E-Librarian will be 2 years. This duration will allow for the completion of a typical book publication cycle, which spans less than 4 years (2 years as Convener and 2 years as E-Librarian, considering the fact that most textbooks projects takes shape towards end of first year of given Academy team).

Responsibilities

- Cataloguing all IADVL publications.
- Managing and updating the digital library.
- Ensuring the accessibility of IADVL books to all members.
- Coordinating with authors and editors for updates and new publications/editions.
- Assisting in the promotion and dissemination of IADVL publications.
- Keeping track of royalties due to the association
- They will present Annual report in mid-Term Academy meeting and Annual meeting at DERMACON

Implementation Plan

1. **Approval:** Seek approval from the Central Council.
2. **Nomination:** Upon approval, initiate the nomination process as per the eligibility criteria.
3. **Setup:** Establish the necessary infrastructure and systems for the E-Librarian to efficiently manage the digital library.

How will it help IADVL?

The introduction of an IADVL E-Librarian will:

- Enhance the organization and accessibility of IADVL publications.
- Ensure continuity and expertise in the management of ongoing textbook projects.
- Provide a structured approach to the cataloguing and updating of IADVL's literary resources.
- Enhanced support for authors, editors, and members in accessing and utilizing IADVL publications and facilitate timely new edition of textbooks keeping track of all titles
- Help keep tracts of royalties due to the association

Proposal

To incorporate the newly created posts of Joint Convener of the IADVL Academy into the Standard Operating Procedures (SOP) ensuring their roles and responsibilities are clearly defined and integrated.

Proposed Amendments

1. Roles and Responsibilities of Joint Conveners

- Point wise details about distribution of duties and responsibilities to two joint conveners within Academy will be provided by Chairperson IADVL Academy
- Assistance to the Convener: Joint Conveners will assist the Convener in all duties and responsibilities, ensuring continuity and support in the execution of Academy projects.
- Project Management: Joint Conveners will co-manage specific projects or initiatives, as assigned by the Convener, to ensure timely and efficient completion.
- Coordination: They will coordinate with other members of the Academy, authors, editors, and external stakeholders to facilitate the smooth operation of ongoing and upcoming projects.
- Reporting: Joint Conveners will provide regular updates and reports to the Convener and the Executive Committee on the progress of assigned tasks and projects.
- Succession Planning: Joint Conveners will be groomed for future leadership roles within the Academy, ensuring a seamless transition and continuity of knowledge and experience.

2. Inclusion in the SOP

- Section on Academy Structure: Amend the section detailing the structure of the IADVL Academy to include the positions of Joint Conveners, specifying their selection process including roles and responsibilities as outlined above.
- Meeting Participation: Joint Conveners will be required to attend all Academy meetings, contributing to discussions and decision-making processes.
- Decision Making: They will have a voice in decision-making processes, particularly in matters related to the projects they oversee.

How will it help IADVL?

The inclusion of Joint Conveners in the SOP will:

- Clarify their roles and responsibilities.
- Ensure proper governance and smooth functioning of the IADVL Academy.
- Enhance the collaborative efforts in the Academy's activities and projects.

Proposal: Any request for accommodation for delegates (IADVL members) from any source can be obliged either directly by the organizing committee or through the event management company and the handling charges need not exceed more than 10% of the actual room rent.

How will it help IADVL?

Artificially inflating room rent may provide resources to the organizing committee. But it will inconvenience the members due to high expectation from the companies. And the number of members benefitted will also get limited. So by not inflating room rent and limiting handling charges to less than10% will benefit IADVL members

Proposal: There should be some regulatory guidelines issued by IADVL for its members who are organising the conferences outside the purview of State Cuticons, Mid-Cuticons, National and Mid-Dermacon. A thorough background check of the delegates via IADVL number or MCI/NMC recognised MD/DVD/ DNB degree certificates in the lecture halls and workshops to ensure only the registered delegates, who have been through a thorough background check are attending. Organisers to ensure that the speakers, moderators and chairpersons are not associated with any institute which promotes/ trains or employs non-MCI/NMC registered MD Dermatologists, also a separate undertaking to be signed with the industry sponsors of the conference stating that any evidence pointing towards their role in promoting quackery will lead to a strict action against them, and any lapse in these actions will invite blacklisting.

1. How will it help IADVL? Quackery in dermatology is one of the most important issues which is threatening our speciality. We are witnessing an upsurge in the number of the so-called wellness centres and Dermatology/cosmetology training institutes. We all recognise the multiple heads of this vice and one of the heads is quackery promotion by IADVL members. We believe that "Charity begins at home" and before pointing fingers at others, we feel we need to clean up our own house first and for that purpose, we need strict regulations and guidelines to be issued by the association for its members. These guidelines will help us regulate the conferences which are beyond the purview of IADVL. It will also help us in identifying which all of our industry partners are in cahoots with the quacks, so that we can terminate our association with them. We feel this will be sending a strong message across that IADVL in no form will be tolerating quackery, whether it has been promoted by our own IADVL members or our industry partners.

Proposal: We propose to stop the provision for a 10% increment in delegate fee with immediate effect. Reduce registration fee for conference by including CME fees in same amount at present.
We also propose to have a tier system of registration like;
1) Economy for those not willing to attend either dinners or social events,
2) Super Economy for those willing to attend all dinners and social events without consuming alcoholic drinks
3) Business Class for those willing to attend all dinners and social events with consumption of alcoholic drinks
Thereby reducing registration fee accordingly by 30-50% as it works out logistically. With this system number of delegates attending dinners will be easier to calculate and there will be less wastage as many delegates do not attend dinners.

Constitutional

How will it help IADVL? Brief introduction.

2) Allowing more members to attend the AGBM during the DERMACONs 2) Members will be able to contribute and participate in decision making for the association without sacrificing the academic learning during the conference.

If constitutional – will it replace the existing clause? Or modify? Give detail of the clause –page no. 34 SECTION 2 (A) Business order of AGBM of closing year and clause no. b (iv) & c (ii & iv)

Page no. 36 SECTION G Conferences B. MID DERMACON and clause no. c

Proposal: AGBM to be a plenary session in main hall. Academic programs to finish by 3.00PM on CME day (Outgoing AGBM) and 3.30PM on Saturday (Incoming AGBM)

Do you think this needs referral to any specific committee? if yes then which committee?

2) Constitution Committee 2) SOP Committee

2) Constitution Committee 2) SOP Committee

Constitution committee- There is no time embargo is placed on total amount of scientific hours. However, to make AGBM a plenary session, it is a policy change, needs constitutional amendment and ot ends beyond the tenure of present EC. Hence proposal needs to be first put up to CCM and then GB.

SOP Committee
SOP committee opinion : It is policy change which needs constitution amendment, so after discussing this proposal in CC meeting , after approval , it will be incorporated in SOP.

Constitutional

How will it help IADVL? Brief introduction. Since every member is allotted a unique number in the member roll irrespective of the state to which he or she belongs. There is no necessity to mention the state Name (Code) in various communications.

If constitutional – will it replace the existing clause? Or modify? Give detail of the clause –page no.11-12 and clause no. 2(a) Classes of membership (LM)

Proposal: Remove compulsion of mentioning the state in LM Number as now we have a unique number for every member.

Do you think this needs referral to any specific committee? if yes then which committee?

1) Constitution Committee 2) Finance committee

Constitution Committee- Since affiliation of members to each state is known by their LM number as designated presently by the 2 alphabets, and as it would hold importance during state elections, holding of important posts, etc. Hence the state identity in the LM number adds value. How will it help IADVL? IADVL has a duty to conduct elections every year. As per the society rules holding elections every year is a duty of the IADVL EC as mentioned in Society rules and regulations as well as the IADVL constitution. The contestants were being charged for the expenses that were incurred when the ballots were posted with a self-addressed envelope to the LIFE MEMBERS.. Much of the money spent was not being utilized as the ballots were then never returned by a majority of the life members.

If constitutional – will it replace the existing clause? Or modify? Give detail of the clause –page no. and clause no.

Proposal: Stop charging contestants for IADVL election. Refund the fees charged so far from contestants for IADVL elections as now there is no postal or printing expense and IADVL is strong enough to support a single online election every year.

How will it help IADVL? Brief introduction: In digital era, IADVL need not be restricted to zones or states to choose its future office bearers. They can be from any zone, same or different or states all across India. It will help IADVL to get more and better leaders for future and will increase communication between different state branches.

If constitutional–will it replace the existing clause? Or modify? Give detail of the clause–page no. and clause no. Section F/Page No. 29/ CLAUSE: G (c) Point No. (iv)

Proposal:(It should be properly drafted): when two members of different zone wants to contest for the post of IADVL Secretary general ELECT and Treasurer elect, they should be allowed to form a team from any zone or state across entire India. The current rules are restrictive for both to be from the same zone. It should not be restricted to the same zone any more. The team for the secretary general elect and the honorary treasurer elect can be from anywhere in India.

If constitutional–will it replaces the existing clause? Or modify? Give detail of the clause– page no. and clause no. NA

Proposal: (It should be properly drafted)

- We propose that the tenure of the IADVL National President be extended to two years. As one-year period is insufficient to complete the majority of the projects/jobs undertaken. • The number of conferences held each year is excessive and should be limited/ regulated.
- There should be a set of criteria for who can be asked to be a faculty member at any of the conferences/meetings. The experience of atleast 8-10 years in teaching, number of publications, chapters authored, and participation in iadvl activities etc should all be taken into consideration for being invited as a faculty.
- State conferences/CUTICONs can be grouped and categorised according to zones (e.g., on the pattern of RAILWAY ZONES), so that only 7 to 10 CUTICONS are held every year, rotating between states/UTS.

It is not practicable for the EC or members to attend too many CUTICONs that are conducted concurrently around the country, and most of the time, only the presenter is in the hall with no audience.

- There are too many SIGs and task forces, the number should be reduced/ or SIGs on related topics can be combined.
- Dermacon should be distributed in ZONES, (North, East, south, and West) rather than through elections/bidding. It may be rotated between states and UTs within the zones. This will provide opportunities for the organization's state chapters to grow and contribute.
- Senior citizens should not be asked for conference registration. It should be given complementary.
- Each member should be issued an "IADVL membership certificate, with embedded logo, portrait and membership number", which should be retained at clinics. This would help patients to know about the qualified dermatologists and assist eliminate quackery.

Do you think this needs referral to any specific committee? if yes then which committee?

Administrative/constitutional

How will it help IADVL? Brief introduction.

Children with dermatologic complaints are seen by both the pediatricians (who at the same time attend to other children with non-dermatologic diseases) and the dermatologists (who at the same time attend to adults with other dermatologic diseases). Hence, a yearly national conference on pediatric dermatology PEDDERMACON shall be able to focus more on the dermatologic problems only in children and improve the quality of care by decreasing complications with early diagnosis and treatment. This conference, where dermatologists and pediatricians are invited to be the delegates, will be an opportunity for the dermatologists with special interest in pediatric dermatology to update. This conference is currently held under the aegis of SIG Pediatric Dermatology/Academy IADVL, and this proposal will enable it to be conducted under the aegis of

and smaller cities to host a national conference.

If constitutional – will it replace the existing clause? Or modify? Give detail of the clause –page no. and clause no.

Proposal: (It should be properly drafted)

Organization of PEDDERMACON annual conference on the format similar to DERMACON/MIDDERMACON.

- PEDDERMACON will be conducted as a once-a-year conference in the month of November (preferably, but not obligatory during the week around Children's Day) on a rotation basis
- Members of IADVL EC, Academy, SIG Pediatric Dermatology along with the local organizing committee will be involvement in development of the scientific program
- Bidding and conduction of PEDDERMACON yearly conference will be arranged on the lines similar to DERMACON/MIDDERMACON in association with IADVL SIG PEDIATRIC DERMATOLOGY

Do you think this needs referral to any specific committee? if yes then which committee?

- Please note that EC may decide to refer if it thinks it is necessary.

Constitution Committee: No provision in the constitution exists for conduct of such conferences. Would set a precedence and would require change in constitution. There would be more such demands in the future and hence Constitution committee is not in favour of the proposal.

Members are left unattended and disgruntled when any company cheats and run away. We need a common platform between IADVL and Industry (Instrument Industry) to address grieviences of both customers and suppliers.

If constitutional – will it replace the existing clause? Or modify? Give detail of the clause –page no. and clause no.
NO.

Proposal: (It should be properly drafted) There is requirement of a nationalised body under IADVL where industry and Instrument suppliers be ranked and endorsed by IADVL after meeting and taking a deposit by each so that a common platform be prepared where a member can complain about them and get a solution. It needs to be formed properly and needs detailed study before implementation.
Every day there are complains about the suppliers and members feel cheated by them.

Subject: Request for Appointment to Discuss GST Issues of Dermatology Procedures

Respected Madam,

We, the undersigned, represent the Indian Association of Dermatologists, Venereologists, and Leprologists (IADVL), the largest professional body of dermatologists in India. We are writing to seek an appointment with your esteemed self to discuss an relevant matter concerning the ambiguity of dermatological procedures under the GST Act.

It has come to our notice that several dermatological procedures have been included in the taxable category under the GST Act. This inclusion appears to stem from a misunderstanding, as all dermatological procedures are cosmetic in nature. Many are essential medical interventions aimed at treating serious skin conditions, diseases, and disorders.

GUIDELINES AND ADVISORY FOR IADVL MEMBERS REGARDING SOCIAL MEDIA CONDUCT

With the boom of social media having an impact all over, it has made an impression in the field of dermatology as well. Social media is playing an important role in the promotion and advertisements of dermatologists. With its widespread reach and its ability to touch people far and away, it has become an important part of a dermatologists' practice. But on the flip side, its misuse has also become rampant, with many dermatologists promoting schedule H drugs and various dermatological procedures including videos on how to perform various procedures such injecting fillers, threads etc.

Considering the recent events involving notice from Karnataka Medical Council in view of complaint alleging violation of code of medical ethics by advertising Dermatology drugs/ medicines on social media, IADVL EC and IADVL Anti-Quackery Committee hereby advises its members to refrain from:

1. Promoting schedule H drugs on their social media profiles.
2. Putting up videos of various dermatological procedures and tutorials on their social media profiles.
3. The members are also advised to take down such content from their social media profiles to avoid legal action against them by National Medical Council.

As per the Indian Medical Council (Professional Conduct, Etiquette and Ethics) Regulations, 2002 (Published in Part III, Section 4 of the Gazette of India, dated 6th April, 2002)

CHHATTISGARH

The IADVL Chhattisgarh Chapter is pleased to submit its comprehensive activity report for the first quarter of 2024. During this period, the chapter organized a diverse range of educational and outreach programs, fostering knowledge sharing and collaboration among dermatologists and other healthcare professionals in the state.

Chapter Activities:

Cross Talk CME on Allergy Testing and Urticaria (April 7th, Raipur): This program transcended the boundaries of dermatology by inviting specialists from the field of allergy and immunology. The cross-talk format facilitated a comprehensive discussion on allergy testing procedures and their role in diagnosing urticaria. This collaborative approach aimed to equip dermatologists with a deeper understanding of allergy testing and its impact on treatment plans.

Mid Cuticon at Bhilai (June 30th): This program served as a platform for in-depth discussions on recent advancements in the ever-evolving field of dermatology. With a specific focus on "Neck and Face Rejuvenation," the program explored the latest techniques and technologies for improving facial aesthetics. Interactive sessions encouraged participants to share their clinical experiences and insights, fostering a collaborative learning environment.

Post Graduate Quiz in Mid Cuticon: To encourage academic excellence among future dermatologists, the Mid Cuticon program incorporated a post-graduate quiz. Four teams from prestigious medical institutions across the state participated: Raipur Medical College, Shri Shankar Medical College Bhilai, CIMS Medical College Bilaspur, and AIIMS Raipur. The winning team from AIIMS Raipur not only earned recognition but also secured a coveted spot in the upcoming Dermacon quiz competition.

Webinar on Immunosuppressive Therapy on World Vitiligo Day (June 25th): To commemorate World Vitiligo Day, the chapter hosted a timely webinar focused on "Immunosuppressive Therapy in Vitiligo Management." This program addressed a critical aspect of vitiligo treatment, exploring the use of immunosuppressive medications and their efficacy in managing the condition. The webinar provided valuable insights for dermatologists seeking to stay updated on the latest treatment options for vitiligo patients.

Free Skin Camp for Bilaspur Police Department (July 1st, Doctor's Day): Recognizing the dedication of police personnel, the Bilaspur Society of Dermatology, a chapter affiliate, organized a free skin camp on Doctor's Day. Led by Dr. Ajay Pandey (President) and Dr. Daniel Henry (Secretary), the camp offered comprehensive skin examinations and free treatment to over 100 police officers. Supported by prominent dermatologists in Bilaspur, the camp served as a token of appreciation for the police force while promoting skin health awareness among them.

Skin Health Awareness Camp at Winners Valley School, Bilaspur (April 15th): Aligning with the "Chalo Pathshala" campaign, the Bilaspur Dermatological Society, under the leadership of Dr. Daniel Henry

(Secretary) and the IADVL Chhattisgarh Chapter (represented by Dr. Pooja Pandey, President, and Dr. Samudranil Sinha, Secretary), organized a skin health awareness camp at Winners Valley School in Bilaspur. This initiative aimed to educate students about common skin conditions, preventive measures, and the importance of maintaining good skin hygiene.

The IADVL Chhattisgarh Chapter remains committed to its mission of serving the dermatology community in the state. By organizing such diverse programs, the chapter strives to bridge the knowledge gap, promote collaboration with other specialties, and foster excellence in patient care. We are actively planning future educational endeavors and outreach initiatives to serve the best interests of our community.

JHARKHAND

IADVL Jharkhand branch has been pretty active in last quarter. We had extensive academic activities across all city chapters. We had regular monthly CMEs on important topics like psoriasis, vitiligo and Melasma

1. Membership drive

In the last quarter we got 2new LM members converted from PLM and 4 new PLMs

2. Community dermatology events

Community dermatology from IADVL Jharkhand has been pretty active. We conducted programs which included skin check up camp, medicine distribution and spending some quality time with the members. We organized these programs at the old age home. It was a very satisfying and fulfilling experience for us. We also committed to contribute and take care of some of their needs at individual as well as organization level.

Because of the exam times for children followed by heavy rainy season and engagement in Middermacon preparations, we couldn't actively go for our other community dermatology and presidential projects, but we have planned some robust activity for the coming quarters.

IADVL Day : We observed Vitiligo Day on 25th June in all medical teaching institutes and private dermatology clinics across the state. There were activities like patient awareness camps, information dissemination by pamphlets and several activities on the social media platforms. Some of the clinics also offered free surgery for the vitiligo patients.

सर्वाधिक प्रतिज्ञाएं रच बनायेंगे गिनीज वर्ल्ड रिकॉर्ड

डॉ. सुनील कुमार गुप्ता

■ भारतीय त्वचारोग विशेषज्ञ, रतिज रोग विशेषज्ञ व कुष्ठ रोग विज्ञान संगठन आईएडीवीएल त्वचा रोग जागरूकता के तहत आगामी 5 व 6 मई को 24 घंटे में सर्वाधिक प्रतिज्ञाओं का इतिहास रचने को तैयार

आईएडीवीएल का नाम गिनीज विश्व रिकार्ड में दर्ज

नंदानगर (एसएनबी)। भारतीय त्वचा विज्ञान, यौनरोग और कुष्ठरोग संघ आईएडीवीएल ने अपने अनोखे कारनामें से इतिहास रच दिया है। संघ ने बीते 5-6 मई को एक अभियान चलाकर महज 24 घंटे के भीतर त्वचा विज्ञानिक बीमारी जागरूकता के लिए सर्वाधिक प्रतिज्ञाओं का नया विश्व रिकार्ड बनाकर अपना नाम गिनीज वर्ल्ड रिकॉर्ड में दर्ज कराने में कामयाबी हासिल की है। अभियान के दौरान देशभर के डाक्टरों से रिकार्ड 9405 प्रतिज्ञाएं जुटाई गई।

■ आईएडीवीएल ने 24 घंटों में त्वचाविज्ञानिक बीमारी जागरूकता के लिए सर्वाधिक 9405 प्रतिज्ञाओं का बनया नया वर्ल्ड रिकॉर्ड

इस रिकॉर्ड की आधिकारिक घोषणा 18 मई को दिल्ली में आईएडीवीएल मुख्यालय में की गई। अध्यक्ष डॉ. मंजूनाथ शेनय ने इस ऐतिहासिक उपलब्धि पर अपनी खुशी जाहिर करते हुए कहा कि हम इस गिनीज वर्ल्ड रिकॉर्ड को हासिल कर बहुत उत्साहित हैं। यह मील का पत्थर हमारे सदस्यों और सहयोगियों की समर्पणता का प्रमाण है। डॉ. भूमेश कुमार कटकम ने कहा हमारा उद्देश्य त्वचा स्वास्थ्य जागरूकता की एक लहर पैदा करना था। डॉ. सुनील कुमार गुप्ता, सचिव आईएडीवीएल यूपी व उत्तराखंड तथा एम्स गोरखपुर त्वचारोग विभागाध्यक्ष ने सभी के प्रति धन्यवाद और आभार व्यक्त किया। इस अवसर पर डॉ. मंजूनाथ शेनाय अध्यक्ष, डॉ. भूमेश कुमार कटकम मानद महासचिव, डॉ. राजीव शर्मा अध्यक्ष चुने गए।

मरीजों को सही सलाह की शपथ लेकर डॉक्टर बनाएंगे विश्व रिकॉर्ड

संकल्प

■ 5 और 6 मई को आयोजन, शपथ को ऑनलाइन वेबसाइट पर पोस्ट भी करेंगे डॉक्टर

■ देश भर के चर्म रोग विशेषज्ञों की पहल पर गिनीज बुक ऑफ वर्ल्ड रिकॉर्ड की टीम रखेगी नजर

गोरखपुर, वरिष्ठ संवाददाता। देश भर के चर्म रोग विशेषज्ञ रविवार व सोमवार (5 और 6 मई) को मरीजों का इलाज के साथ ही उनसे सहानुभूतिपूर्वक व्यवहार करने और सही सलाह देने का संकल्प लेंगे। सभी डॉक्टर अपनी शपथ को ऑनलाइन पोस्ट भी करेंगे। इसके लिए विशेष लिंक बनाया गया है। पहली बार हो रही इस पहल को गिनीज बुक ऑफ द वर्ल्ड रिकॉर्ड में शामिल कराए जाने की तैयारी है।

देश में करीब 17 हजार चर्म रोग विशेषज्ञ हैं। जिनमें से 700 चर्म रोग विशेषज्ञ उत्तर प्रदेश और उत्तराखंड में है। चर्मरोग, गुप्त रोग और कुष्ठ रोग के मरीजों का इलाज करने वाले इंडियन एसोसिएशन ऑफ डर्मेटोलॉजिस्ट, वेनेरियोलॉजिस्ट और लेप्रोलॉजिस्ट (आईएडीवीएल) की ओर से यह पहल की गई है। आईएडीवीएल के उत्तर प्रदेश और उत्तराखंड के सचिव व एम्स के चर्म रोग विशेषज्ञ डॉ. सुनील गुप्ता ने बताया कि विश्व में ऐसा पहली बार हो रहा है। इसे एक अभियान के तौर पर चलाया जा रहा है। देशभर चर्म रोग विशेषज्ञ इस बात की शपथ लेंगे कि वह मरीजों की सेवा करने के साथ ही उन्हें सही सलाह देंगे। इलाज में नैतिकता का पालन करेंगे। मरीज का इलाज के साथ ही उनसे सहानुभूतिपूर्वक व्यवहार करेंगे। साथ ही मरीजों की उच्च गुणवत्ता की सेवा देने के लिए सतत अध्ययन करेंगे।

डॉ. सुनील गुप्ता ने बताया कि यह आयोजन 24 घंटे का होगा। इसमें सभी चर्म रोग विशेषज्ञ अपना शपथ पत्र पढ़ने का वीडियो ऑनलाइन पोस्ट करेंगे। इसके लिए लिंक उन्हें शेयर किया गया है। गिनीज बुक ऑफ द वर्ल्ड रिकॉर्ड की टीम इसकी मॉनिटरिंग करेगी।

त्वचा पर सूजन और लाली की न करें अनदेखी, खराब हो सकते हैं कई अंग

विश्व ल्यूपस दिवस

जागरण संवाददाता, गोरखपुर : ल्यूपस के रोगी शहर में भी हैं। डर्मेटोलॉजी इनको सांख्यिक चिकित्सा करा है। जिला अस्पताल, बीआरडी मेडिकल कालेज व निजी अस्पतालों में उपचार चल रहा है। जिला अस्पताल में वर्ष में चार-पांच व मेडिकल कालेज में यह में तीन-चार रोगी उपचार के लिए पहुंचते हैं। इस बीमारी में त्वचा पर सूजन, जलन, लाली के साथ बुखार, जोड़ों में दर्द होने लगता है। त्वचा छिलने लगती है। यह ऐन-प्रतिरोधी (आटोइम्यून) बीमारी है। इस बीमारी में शरीर की प्रतिरक्षा प्रणाली ही शरीर के अंगों व ऊतकों को नुकसान पहुंचाने लगती है। धीरे-धीरे गुर्दे, दिमाग, हृदय, फेफड़े खराब होने लगते हैं।

इस बीमारी में शरीर का संक्रमित अंग, अन्य अंगों के लिए बहुत खतरनाक होती है। यह बीमारी पुरुषों की तुलना में महिलाओं में अधिक सुना जाता होती है। यह 30-40 वर्ष की उम्र में शुरू होती है। विशेषज्ञों ने सलाह दी है कि लक्षण दिखने पर तत्काल चिकित्सक से परामर्श करना चाहिए। शुरुआत में उपचार से शरीर के अंगों को बचाया जा सकता है। इसके प्रति लोगों को जागरूक करने के उद्देश्य से प्रतिवर्ष 10 मई को विश्व ल्यूपस दिवस मनाया जाता है।

बचाव के उपाय

- तेज धूप में न जाएं
- ऐसी कपड़े पहने जिससे पूरी शरीर ढकी रहे
- धूप में होने लगभग निकलें
- सनस्क्रीन लगाएं
- सुबह-शाम व्यायाम करें
- पूरा आराम व शराब से बचें
- लक्षण से दूर रहें

ल्यूपस एरिथमैटोसस एक स्व-प्रतिरोधी बीमारी है। इसमें लक्षणों के आधार पर उपचार किया जाता है। यदि शुरुआती दौर में उपचार शुरू हो जाए तो शरीर के अनेक अंगों को खराब होने से बचाया जा सकता है।

-डा. आरती कुलश्रेष्ठ, वर्ष रोग विशेषज्ञ

ल्यूपस के लक्षण

- त्वचा पर सूजन व जलन
- त्वचा छिलने लगती है
- तेज बुखार, जोड़ों में दर्द
- बाल झड़ने लगते हैं
- त्वचा में फेफड़ों का त्वचा काम होना
- सांस लेने में परेशानी
- त्वचाघात में कमी
- गर्भावस्था में स्वतःगर्भ का बढ़ना
- थकान, कमजोरी, शरीर में दर्द
- पेशाब पर दाने या लाल धब्बे
- शरीर में खून की कमी
- बार-बार गर्भपात
- सिर व छाती में दर्द, तनाव

ल्यूपस बहुत कम लोगों में होती है। इसके लक्षण दिखने पर तत्काल उपचार शुरू करा देने और नियमित दवाओं का सेवन करने से यह बीमारी नियंत्रित की जा सकती है।

चर्म रोग का हर तीसरा मरीज होता है सफेद दाग से पीड़ित

सफेद दाग दिवस

- एम्स की ओपीडी में 30% मरीज हैं सफेद दाग के
- इलाज के साथ ही मरीजों का मनोबल भी बढ़ा रहा है एम्स
- सर्जरी, दवाएं और स्किन ग्राफ्टिंग से होता है इलाज

गोरखपुर, वरिष्ठ संवाददाता। एम्स में सफेद दाग का इलाज कराने आने वाले मरीजों की संख्या में जबरदस्त बढ़ोतरी हुई है। आलम यह है कि एम्स के चर्म रोग विभाग की ओपीडी में हर तीसरा मरीज सफेद दाग से पीड़ित है। यहां पर ओपीडी के करीब 30 फीसदी मरीज सफेद दाग के ही पहुंच रहे हैं। मरीजों की संख्या में बीते दो साल में जबरदस्त इजाफा हुआ है। इसकी वजह है एम्स के चर्म रोग विभाग में सुविधाओं का इजाफा।

एम्स के चर्म रोग के विभागाध्यक्ष डॉ सुनील गुप्ता ने बताया कि सफेद दाग कोई संक्रामक बीमारी नहीं है। यह छुआछूत की बीमारी नहीं है। यह शरीर के अंदर रंग बनाने वाली कोशिकाओं (मिलिनेसाइट) के अंदर खराबी से होती है। इससे कोशिकाएं रंग बनाने वाली मिलेनिन का उत्पादन नहीं करती। जिससे त्वचा का रंग सफेद होने लगता है। शरीर में रोग प्रतिरोधक क्षमता में खराबी आने पर भी सफेद दाग हो सकता है।

दवा, फोटोथेरेपी, सर्जरी और ग्राफ्टिंग है कारगर: डॉ. सुनील ने बताया कि एम्स में इसका इलाज दवा, सर्जरी, फोटोथेरेपी, लेजर सर्जरी व स्किन ग्राफ्टिंग से हो सकता है। एम्स में आधुनिक फोटोथेरेपी मशीन लगी है। जिससे महज 300 रुपए शुल्क जमा कर महीने भर तक सिकाई की जाती है। छोटे बच्चों व गर्भवती में सफेद दाग होने पर फोटोथेरेपी से ही इलाज होता है। टार्गेटेड फोटोथेरेपी के लिए एम्स में एक्साइमर लेजर मौजूद है। इसके अलावा सफेद दाग को हटाने के लिए शरीर के जांघ से नई त्वचा निकाल कर प्रभावित क्षेत्र में लगा दी जाती है। इसे मिनिएचर पंच ग्राफ्टिंग कहते हैं। वहीं शरीर के स्वस्थ त्वचा से मिलेनोसाइट कोशिकाओं को निकाल कर प्रभावित क्षेत्रों में लेपन भी किया जाता है। सफेद दाग के इलाज में दवाओं की अहम भूमिका है। हालांकि दवाओं का आंशिक सेवन के कुछ दुष्प्रभाव हो सकते हैं।

मनोबल बढ़ाने के लिए होता है ग्रुप डिस्कशन: डॉ. सुनील ने बताया कि सफेद दाग का शरीर पर कोई असर नहीं होता। इसको लेकर समाज में काफी भ्रांतियां हैं। इसके मरीज बेहद तनाव में रहते हैं। खास बात यह है कि तनाव के कारण शरीर में मिलेनोसाइट कोशिकाएं से मिलेनिन का उत्पादन कम होने लगता है। इससे दाग का दायरा और बढ़ने लगता है। मरीजों का तनाव दूर करने के लिए उनके बीच ग्रुप डिस्कशन कराया जाता है। दूसरों के अनुभव से मरीजों का मनोबल बढ़ता है। मरीजों एवं उनके तीमारदारों के जेहन की भ्रांतियों को दूर किया जाता है।

MENTORSHIP COMMITTEE

Dr. Saloni Katoch
Chairperson

Dr. Kinnor Das
Convener

Call for Mentors : On 17th April 2024, the IADVL Mentorship Committee initiated a call for mentors for the upcoming mentorship program. This call was met with an enthusiastic response, and we are pleased to report that all mentor positions have been filled. The last date for submission was 30th April 2024. The selected mentors were duly informed via email and their names have been enrolled into the program. We have a mentor pool of twenty mentors for the year 2024.

Application for Mentees : Following the enrolment of mentors, applications were invited from mentees (11th June 2024) interested in participating in the mentorship program. The last date for submission was 25th June and the response was overwhelming with over 70 applications received. Each application was carefully evaluated and objectively scored to ensure that the most suitable candidates were selected for the program.

Mentor-Mentee Matching : The process of matching mentors with mentees commenced shortly after the evaluation of the applications. This critical step involves ranking mentees according to their scores and ensuring that they are paired with their mentor of choice as expressed in the application form, whose expertise and interests align with their professional goals and aspirations. The matching process is still ongoing, and we are committed to creating the best possible pairings to foster meaningful and productive mentorship relationships.

Program Kick-off : The mentorship program is set to officially kickstart in the coming month (August 2024) after Orientation and sensitization meets for the mentors and the mentees. Detailed schedules and plans are being finalized to ensure a smooth launch. Both mentors and mentees are being prepared for an enriching experience that promises to enhance professional development and leadership skills.

Committee Meetings : The committee has convened multiple times to discuss the progress and plan future activities. These meetings have been instrumental in refining our strategies and ensuring that all aspects of the program are meticulously organized.

The IADVL Mentorship Committee remains dedicated to fostering leadership and professional growth among young dermatologists. We are excited about the upcoming mentorship program and look forward to its successful implementation. The active involvement of both mentors and mentees is pivotal, and we are confident that this program will significantly contribute to the professional development of all participants.

2. Vitiligo Day was commemorated on June 25. Many states, institutions, hospitals, and private practitioners conducted awareness activities with the message of "isolating myths, not the patient." An extremely enthusiastic participation was witnessed pan India. We do hope each day is a special day to serve our patients, and not just on designated dates of the year!
3. World Skin Health Day (WSHD)// July 8. With the aim of #skinhealthforall, IADVL joined hands with ILDS in its activities to support and involve all, for global skin health. We remain united for the cause, by optimising social media, newsprint, FM radio stations, and other online broadcast media sources for continued efforts. This year, the focus is towards Chalo Pathshala Program-Presidential Initiative for 2024. The committee has prepared educational content and produced PPT, and PDFs, for circulation to all IADVL members. We are thankful to all member states who chipped in with slide deck content and clinical images.

   Special shout out to members who added value to WSHD program: Dr. Shruti Nerkar, Dr. Rebecca Bardeskar, Dr. Sadiya Syed from Dhule. Our many thanks to others who volunteered in various activities like Dr. Shifa Yadav, Dr. Althea pinto, Dr. Deeksha AP, Dr. Sheena Lal, Dr. Sribiju MK, Dr. Sujatha KV, Dr. Laya J Nair, besides many others.
4. Contributed to IADVL website update for patient domain section on three topics: 1. Psoriasis 2. Vitiligo 3. Genital and sexual health
5. Mission Prison 2.0 was conducted in Dharwad -Aug 5. Thanks to Dr. Naveen KN, Dr. Athanikar, Dr. Shwetha Prabhu, Dr. Sowmyashree, Dr. Abhishek Jha.

   In other news, our efforts to promote environmental sustainability are on. Emphasis is on regular updates of diseases impacting community health, and to reduce misuse of social media-led misinformation. We look forward to stronger collaborations with bodies such as Red Cross, and a healthy support from pharma to enable widespread skin camps and awareness activities across the country.

CENTRAL FINANCE SUPERVISORY AND ADVISORY COMMITTEE

Dr. Savitha A S
Chairperson

Dr. Kavitha S B
Hon Treasurer

The central finance committee has been now renamed as Central Finance Supervisory and advisory Committee (CFSAC) as per the recommendations of Finance Oversee Committee which was approved in AGBM of 2024. The committee now has 3 subcommittees

a) To supervise and scrutinize Conference accounts: "Conference Accounts Subcommittee"

Members- Dr Venkataram Mysore, Dr Shashikumar B M, Dr M M Faizal, Dr Rajib Gogoi, Dr Amit Madan

b) For internal scrutiny of all other IADVL accounts: "Internal Accounts Subcommittee"

Members- Dr Arijit Coondoo, Dr Dinesh Kumar, Dr Amit Malhotra, Dr V K Sharma, Dr Asokan N

c) To plan/supervise IADVL's investments: "Investment Advisory Subcommittee"

Members - Dr Ganesh Pai, Dr Deepak Parikh, Dr Ankur Talwar, Dr Annie Flora, Dr Mukadam.

First quarterly meet of the committee was held on July 10th. A GST query and fine was levied for year 2019-20. The GST office has accepted the reply submitted by the auditor and the fine has been withdrawn.

Audit of accounts of MIDDERMACON 2023 and DERMACON 2024 was conducted by Mr Sanjay Labh and his team. The report has been sent to the Org committee of the respective conferences for clarifications and to do the required rectifications.

The Organising Chairperson of DERMACON 2024 and another group of members from Org Committee have submitted in two separate complaints regarding financial irregularities during DERMACON 2024. The Complaint with relevant documents were referred to CFSAC and to Conference accounts subcommittee. Point wise reply to the complaints was sought from the Organising Secretary. As per the documents submitted, below is the summary of the report of the committee.

1. There appears to be differences in the amount discussed in the meetings and the MOU.

2. MOU were not shared with the EC as per DERMACON MOU.

3. A physical meeting is essential at this point of time wherein FOC subcommittee / CFC can check/ cross-check various claims/counter claims/documents in presence of both the sides in the Org. Com. of Hyderabad DERMACON.

WELFARE SCHEMES OF IADVL - BENEVO LENT FUND, ACCIDENT FUND - DVL WELFARE TRUST

IADVL WELFARE SCHEMES

IADVL is glad to introduce two welfare schemes for the benefit of IADVL members. The schemes are intended to foster goodwillamong members and thereby make the association more popular and purposeful. The schemes are as below:

* **BENEVOLENT FUND**
* **PERSONAL ACCIDENT RELIEF FUND**

IADVL also has an on-going PROFESSIONAL INDEMNITY INSURANCE POLICY for financial protection against any medicolegal claims. Each of the above is to help and benefit IADVL member during any personal crisis or tragedy. Both these funds are through internal accrual while Professional Indemnity is in association with National Insurance Company limited.

JADVL BENEVOLENT FUND

IADVL Benevolent Fund is to extend solace and support to IADVL members who have undergone the misfortune of being afflicted by serious disability/prolonged illness. The disability or ailment should be due to diseases or mishaps that are not self-inflicted. The intent of the fund is to provide emotional and financial assistance and a helping hand at a critical time. The objectives of thisscheme will be to provide financial support to the deserving members in the case of invalidation or in the event of their suffering any injury or physical disability or unforeseen misfortunes like prolonged sickness leading to premature retirement. The supportwill be extended in the form of one-time payment to a maximum of Rupees 2 lakhs per member as per set guidelines.

Following is the list and definition of critical illness/disability eligible for grant of Benevolent Fund:

1. Stroke resulting in paralysis: Defined as a cerebrovascular accident or incident producing neurological sequelae of a permanentnature, having lasted not less than six months.
2. Chronic renal Failure: End stage kidney failure presenting as chronic irreversible failure of both kidneys to function, as a result of which regular renal dialysis is initiated or renal transplantation carried out.
3. Major Organ Transplant: The actual undergoing of a transplant as a recipient of one of the following human organs: (a) Kidney, (b) Lung(s), (c) Liver, (d) Heart, (e) Bone marrow
4. Blindness: The total, permanent and irrecoverable loss of the sight of both eyes.
5. Major Burns: Third degree burns covering more than fifty percent (50%) of the Life Assured's body surface area
6. Amputation of limb: Amputation of one or more limbs warranted due to conditions other than accidents.
7. Any other medical conditions deemed to result in a permanent or partial disability / COVID 19 infection requiring intensiveunit care.

JADVL PERSONAL ACCIDENT RELIEF FUND

The personal accident relief scheme is no longer there

MODE OF DISBURSEMENT OF BENEVOLENT FUND & PERSONAL ACCIDENT RELIEF FUND

Aggrieved member can send the duly filled application form, with bills, hospital summary etc through their branch /City unit to State President/Secretary who shall forward to IADVL President/Hon. General Secretary. Upon receipt of the application an Expert Committee duly authorised by the IADVL Executive Committee headed by the President of IADVL shall evaluate and approve the same based on the merit of the case. The approved fund can be electronically transferred only in the name of the affected member whose PAN card is verified.

Mutual benefit scheme of IADVL – The DVL Welfare trust

Introduction: IADVL has launched a mutual benefit scheme coupled with professional legal protection in 2011 and named it DVL welfare trust. It is one of the important financial benefit scheme aimed at securing financial security for the family members of our association. The Executive committee of IADVL urges all its members to join this mutual benefit scheme to make it a successful initiative of IADVL. The details of this welfare scheme are as follows:

DERMATOLIGISTS VENEREOLOGISTS & LEPROLOGISTS WELFARE TRUST (DVL trust)

has been establishedfor the benefit of members of IADVL. The trust has been registered at Vadodara. DVL Welfare Trust is by IADVL, of IADVL and for IADVL ites".

Aims and objectives of the scheme:

1) To provide financial assistance to the family of a member of this scheme in the event of his/her death.
2) To inculcate a habit of savings among the members for their mutual benefit.
3) An option to provide comprehensive indemnity cover in the event of litigant situations arising out of alleged professional negligence by the members.
4) To educate the members, including clinic staff, to prevent any litigant situation and to guide them, how to deal with it in the event of such a situation.

Eligibility of the members: Any life member of IADVL, irrespective of age is eligible to become a Regular Member of the scheme. Family members of Life members of IADVL can also join the scheme as Beneficiary Members. Please note that separate forms need to be filled for each member of a family.

Total Amount Payable at the time of admission:

1. Admission Fees (as per age –given below).
2. Annual Membership Fees Rs. 750. (for the year 2020-2021) Icreament of Rs.50/- every year.
3. Advance Fraternity Contribution (AFC) Rs.2000 (Rs Two thousand only) a minimum amount kept with DVL trust towards members future fraternity contributions.

Optional amount to be payable at admission: Member can deposit additional amount of his choice as deposit for future annual contribution. The 4% interest will be credited on deposit amount.

Details of one time Admission fees: The Admission Fees payable shall be based on age in years of the proposed member or their family member who likes to join the scheme, as follows:

g) 61 of 70 Years Rs. 7000

h) above 70 Years Rs. 8000

Optional Legal fees for professional indemnity For life members of IADVL who volunteer to have professional legal cover, this option is available. However, they necessarily have to be members of DVL trust as well. Annual legal fee is based as per type of Dermatology practice: a) The Consultant with only office practice will have to pay Rs. 1000/- per year; (B) The consultant with practice of cosmetic, laser & other Dermato surgical procedures will have to pay Rs. 3000/- per year; to cover these procedural events or litigations. The indemnity coverage will be Rs. 7,00,000 (Rupees seven lakhs) per case and Rs. 15,00,000 (Rupees Fifteen lakhs only) aggregate per year.

Member's annual contribution: [a] Annual membership fee of Rs. 750/- (with increment of Rs. 50/- every year). and [b] Fraternity contribution Rs. 500 x N, where N = No. of Death of members) . Plus, Optional professional indemnity annual legal fees, to be paid by those members who opted for professional indemnity. Benefits for IADVL members of DVL trust: 1) Social security to family members: Note: Financial benefits will start after ONE year of joining the scheme. Nominee will get Rs. 450 x N, where N = No. of members of DVL trust. In other words, when more IADVL members join this scheme, more fraternity benefit for members families. 2). Professional legal protection, when applicable, for those members opting for it: Legal help is extended in all types of cases like civil, criminal, labour & consumer redressal fora. For Medico-legal aspect we have successfully negotiated with LegalMD Global Consulting Services Pvt. Ltd. Members can avail the services all over India.

OBITUARY

CONDOLENCE

Dr. RG Torsekar

6 Feb 1951- 30 March 2024

With Deep Grief, We Inform the Sad Demise of Our Dermatologist Dr. RG Torsekar .Dr. RG Torsekar will always be remembered as a great human being, clinician and teacher par excellence and a wonderful and caring doctor for his patients. Dr. R G Torsekar sir was born on 6th February 1951 and left us on 30th March 2024 after a brief four month period of illness. He is survived by his wife Dr. Mrunal Torsekar, his source of strength and his two sons Varun and Viraj.

Dr. R.G Torsekar completed his MD in Dermatology from JJ Hospital and Grant Medical College and served as a faculty from 1980-85. Dr. Torsekar was the founder of the Dermatology Department in Rajiv Gandhi medical College & CSM Hospital, Thane Municipal Corporation. He was the Honorary Professor & HOD from 1992. He was the founder Member and Medical Director of group practice 'Disha', established in Thane since 2011. He was a Consultant dermatologist at Fortis, Mulund since 2002.

Dr. RG Torsekar was a pioneer in the dermatology field and actively contributed to the IADVL activities at all levels- local, state and National level. He served as the President of IADVL Maharashtra State Branch in 2002. He was the National Vice President in 2012. He was the Project Coordinator and initiated the Dermatology Lecture Series which has served as an educational resource for undergraduate dermatology teaching and dissemination of knowledge amongst the general practitioners. He has numerous scientific publications and has contributed as a Task Force member in various projects related to psoriasis and pigmentary disorders. His dedication to community dermatology service is exemplified by his active participation in various camps in rural Maharashtra over many decades Dr. Torskekar's clinical acumen and compassionate treatment has benefited millions of patients and he has served as a source of inspiration to the budding dermatologists all across the country over the past five decades. Dr. Torsekar was an avid reader, prolific writer, enjoyed travelling and a great singer of old Hindi classics; his twinkling eyes, wonderful smile, caring attitude and baritone voice will be treasured by all of us. May his soul rest in peace and let us cherish his memories forever

Our Prayers, On Behalf Of IADVL, We Would Like to Convey Our Deepest and Heartfelt Condolence to Her Bereaved Family and We Pray To The Almighty That Her Departed Soul May Rest In Eternal Peace.

With Deepest Condolences,

Dr. Manjunath Shenoy
President.IADVL

Dr. Bhumesh Kumar Katakam
Hon. Secretary General, IADVL

CONDOLENCE

Dr.Satish Udare

DOD :06-04-2024

With Deep Grief, We Inform the Sad Demise of Our senior member Dr. Satish Udare was a senior most dermatologist in the city of Navi Mumbai practicing for more than 40 years. He was one of the dermatologists instrumental in starting an association known as Navi Mumbai and Raigad Dermatologists' Association in 1996, which is now a very active chapter of IADVL Maharashtra. He was a president of IADVL Maharashtra.

Apart from his own clinic called Sparkle he was a founder member of a group dermatology practice called DISHA Skin And Laser Institute at Thane. In private practice, he was a very successful dermatologist with a great popularity with his patients, as he was a master communicator. Dr. Udare was keen on newer developments in dermatology, including lasers, dermatosurgery and biologicals. He was also a professor in MGM Medical College, Kamothe, Navi Mumbai in the earlier part of his career. He was an excellent speaker, avid writer, drama actor and a singer.

He had tremendous enthusiasm in doing all activities and used to gel well with seniors as well as junior dermatologists. He fought with lung malignancy for the last few years with courage and kept smiling till the end. The family has lost a dear one, we have lost a great member of the fraternity, the patients have lost a caring knowledgeable dermatologist and Navi Mumbai has lost a good citizen.I have lost my best friend and elder brother. May God give strength to the family to withstand this great loss. Om shanti.

Our Prayers, On Behalf Of IADVL, We Would Like to Convey Our Deepest and Heartfelt Condolence to Her Bereaved Family and We Pray To The Almighty That Her Departed Soul May Rest In Eternal Peace.

With Deepest Condolences,

Dr. Manjunath Shenoy
