IADVL Academy Report, July 16th to December 15th 2023

Third quarter of the year by IADVL Academy was academically enriching and fruitful. IADVL Academy and the special interest groups conducted multiple CMEs, both digital and physical, across India in association with IADVL State branches for the benefit of its members. Applications were invited for Dr B.V. Satyanarayana best thesis award 2022, IADVL best researcher award and International dermatopathology observership. Confidential evaluation of SIG functioning, and monitoring of e-library usage were regularly performed.

Applications were also invited for IADVL Academy members (9 vacancies) and joint conveners (two). Seven SIGs will complete their tenure in 2024 and applications were called for SIG Coordinator, convener and members. The evaluations for both of these are under process.

IADVL Observerships and IADVL Training program

IADVL Observerships 2023 offered observership courses in different specializations under the able guidance of course directors. Various courses offered were LASERS, Aesthetic dermatology, Dermato-pathology, Dermatosurgery, Phototherapy, Trichology, Hair transplant, Urticaria, HIV medicine, Leprosy, Pediatric dermatology and Dermoscopy. In the second half of session, 47 observers (05 in above 35 years and 42 candidates below 35 years category) have completed their observership. Stipend (less than 35 years) has been released for 33 candidates, course completion certificates have been issued 38 observers after receiving a feedback from the observers and their course directors.

Announcement for application to the new observership centers and course directors was released in April 2023 and 5 new centers have been added after the selection process and evaluation. Announcement of observership courses for 2024 was done on 13th November 2023 and the applications from observers received are under evaluation. Total number of centers is 33 with 99 seats available for less than 35 years and 32 for above 35 years of age. A total of 225 applications have been received. The result will be announced during DERMACON 2024.

Two students have completed the three months IADVL Training 2023 course and four more are currently pursuing it. Application for IADVL Training Course for 2024 were invited, with 3rd December 2023 as the last date. ……. applications were received and are under evaluation for 13 slots, across 5 training centers.

- Dr Jyothi Jayaraman and Dr K Lekshmipriya; IADVL Observerships Coordinators

IADVL International Dermatopathology Observerships

After a decision taken during AGBM at Mumbai, the five centers offering international dermatopathology observership were contacted to restart the observership. Three of them,

UCSF, San Francisco, Wake forest hospital (USA) and Mackay Memorial Hospital, Taipei, Taiwan have reverted with willingness to take IADVL nominated observers. After announcement for International Dermatopathology Observership, 33 applications received were evaluated by SIG Dermatopathology and IADVL Academy. The six candidates awarded International Dermatopathology Observership for 2023 are: Dr Ankit H. Bharti, Dr Hari Shivaram Pathave, Dr Narayanan A, Dr Rhea Ahuja, Dr Ratnakar Shukla and Dr Tejas Vishwanath.

Sister society sessions in international conferences:

Under IADVL EC guidance academy has prepared the scientific session for the sister society to be held at AAD Annual Meeting at San Diego on 7th March 2024. The applications were asked from members and evaluation done by the selection committee.

IADVL Research Grants

Applications were invited from members of IADVL for research grants for projects in Dermatology, Leprosy and STIs. A total of 35 research proposals were submitted by the IADVL members for research grant for the year 2023. The comments of initial review by the members of SIG Dermatology Clinical research were communicated to the Principal Investigators. All the revised proposals were discussed and scored by the jury members during the IADVL Academy meeting held on 22.07.2023. Various aspects including funding, sample size, methodology, novelty, feasibility, and ethical issues were taken into consideration while deciding on the research grant. Based on the scores obtained, proposals were shortlisted for IADVL Research Grants for 2023. The investigators of all the shortlisted proposals were informed regarding the results of the jury meeting along with jury's comments related to budget allocations and research methodology. Based on the satisfactory modification of shortlisted proposals, the final list of eight research proposals eligible for IADVL Research Grant 2023 and one for IADVL Glowderma research grant 2023 were announced on along with a request to submit necessary documents for disbursement of first instalment of grant. First instalment was sent to six of the seven approved projects for IADVL

IADVL Research Grant 2023

S. No.	Title of Project	Investigators
1	**Assessment of Immuno-metabolic Axis of Autoimmune Blistering Diseases (AIBDs) – Mechanistic and Diagnostic Implications**	**Dr Raghavendra Rao** **Dr Manjunath Joshi, Dr Kiran**
2	**Assessment of serum neurofilament light chains in leprosy associated peripheral neuropathy**	**Dr Ananta Khurana** **Dr Savitha Sharath, Dr Kabir Sardana**

3	**A randomized prospective study comparing the efficacy and safety of diode laser monotherapy (810nm) vs sequential therapy of diode laser plus long pulsed Nd-YAG laser(1064nm) in the treatment of idiopathic facial hirsutism**	**Dr Maitrayee Panda** **Dr Ajaya kumar Jena, Dr Adithya Prakash, Dr Nibedita Dixit**
4	**Impact assessment of IEC intervention on knowledge, attitude and practice (KAP) of community pharmacists / chemists regarding skin dermatophyte infection in Northern India.**	**Dr Manju Daroach** **Dr Payal Chauhan, Dr Anupam Dhiman, Dr Navpreet Singh, Dr Rajni Sharma, Dr Anuj Sharma, Dr Ankur Sharma, Dr Sahil Mrigpuri, Dr Ghanshyam Verma, Dr K S Mehta**
5	**Utility of immunohistochemical expression of IgG4 and C3d in diagnosis of autoimmune vesiculobullous disorders in paraffin-embedded tissue as a possible substitute for direct immunofluorescence**	**Dr Eswari L** **Dr S Raut**
6	**Th1, Th2, Th17 and Treg cell polarization and cutaneous microbiota in chronic and recurrent dermatophytosis.**	**Dr Biswanath Behera** **Dr Vishal Thakur, Dr Pavitra A, Dr Madhusmita Shetty, Dr Vinay Hallur**
7	**Treatment of eumycotic mycetoma using a combination of antifungal therapy (itraconazole with or without amphotericin B) and surgery with clinical, radiological and mycological assessment: a comparative study.**	**Dr Saurabh Singh** **Dr S Patra, Dr M Lodha, Dr A Bharadwaj,Dr T Yadav, Dr V Jain**
8.	**A multicentric study to unveil the mutational spectrum of genodermatoses across different regions in india using multi-gene targeted next-gen. sequencing**	**Dr Rahul Mahajan** **Dr Sanjeev Handa, Dr Dipankar De, Dr Vinod Kumar, Dr Bhumesh Kumar Katakam, Dr Krina Patel, Dr Jigna Padhiyar, Dr Shazia Shah, Dr Maitreyee Panda, Dr T Haritha, Dr Liza Mahapatra, Dr Nibedita Patro, Dr Rita Vora, Dr Vinutha Rangappa, Dr Sudarshan Gaurkar**

IADVL Glowderma Research Grant 2023

S. No.	Title of Project	Investigators (With Email)
1	**The immunopathological study of chronic pruritus of undetermined origin in elderly population**	**Dr Asit Mittal** **Dr Praveen Kumar S, Dr N Riyaz, Dr S Srihari, Dr K Vyas**

- Dr Joyeetha Choudhary and Dr Vinay K; IADVL Research Grant Coordinators

IADVL Scholarships

Twenty-one scholarships of 30,000/- each were awarded for SARCD 2023, Colombo with two additional scholarships given through SLCD. 24 scholarships of 15,000/- each were awarded for MIDDERMACON 2023. Announcement for 99 DERMACON 2024 scholarships was made on 21st December with the last date being 20th January.

Dr Rahul Kumar Sharma: IADVL Scholarship coordinators

IADVL Online Lectures

Fourteen online training modules are active on the digital platform of the Academy page of IADVL. Each module has four video lectures followed by a MCQ based assessment test. Two modules added in 2023 are Vasculitis & vasculitis mimics and Learning the basic skill of presentation and communication. Three more modules will soon be added

- Connective tissue diseases
- HIV & STDs
- Leprosy basics

- Dr Sudha Rani; IADVL Online Lecture Series Coordinator

Scientific Program at National Conferences

MIDDERMACON, Calicut, 2023

SIG Acne & appendageal diseases and SIG Dermatosurgery conducted one-hour sessions at MIDDERMACON 2023. Two Academy focus sessions on 'Emerging infections with cutaneous manifestations' and "Artificial intelligence in dermatology: where do we stand!' were also conducted. Six students presented their thesis work in the PG thesis based award paper session at MIDDERMACON 2023.

DERMACON Hyderabad, 2024

Five SIGs will hold one hour session each at DERMACON 2024, SIGs NTD, Dermoscopy, dermatopathology, DCR and pruritus. Their scientific program has been sent to the scientific committee. The list of selected candidates for the PG thesis award paper session was also announced and communicated to scientific committee. There will be an IADVL Research grant session and five selected projects funded by IADVL will be presented along with the two selected IADVL best research award publications.

Post Graduate activities

IADVL Postgraduate Thesis Grant

For IADVL Postgraduate Thesis Grant 2023, 43 applications were received, of which 25 were selected. Results for 2023 grants were announced in August. Of the 25 thesis grants approved for the year 2023, first instalment of 15 grants were released upon receipt of requisite of documents. Of the 15 grants approved in 2022, first instalment was transferred to all except one candidate who withdrew as he got ICMR grant.

PGCON 2023

For the year 2023, 10th virtual PGCON was planned and conducted in a unique fashion this year with short weekend sessions (2.5 hours each from 6 to 8.30 pm) on every Saturday of December (2,9,16,23,30). Long and short cases, spotters, dermatopathology, therapeutics, instruments and radiology, grand viva and paper presentations by PGs, were planned with an aim to provide residents with a mock practice for their final MD exam. This was executed successfully as 5 weekend sessions. Five credit points were awarded by UKMC.

PG Thesis Based Award Session

Applications were called for PG thesis-based award sessions at DERMACON 2024 to be held at Calicut. Thirty-eight applications were received. The abstracts were evaluated by the members of the IADVL Academy. The list of 10 selected applicants is announced.

-Dr Shekhar Nana Pradhan and Dr Ranugha PSS, IADVL Academy Postgraduate Activities Coordinator

Dr B.V. Satyanarayana memorial award 2023 for best thesis

Applications were invited for DR. B. V. Satyanarayana Memorial Award 2023 for best thesis award. These 54 applications were evaluated by the members of the SIG Dermatology Clinical Research based on a pre-approved scoring scheme and were ranked based on the mean scores obtained. the winner of this award is Dr Kittu Malhi (PGIMER, Chandigarh) for her thesis entitled **"Utility of plucked hair direct immunofluorescence as a possible replacement of conventional skin biopsy direct immunofluorescence in immunological activity monitoring and prediction of relapse in pemphigus"** done under guidance of Dr Dipankar De.

IADVL Best Researcher award 2023

The IADVL Best Researcher award is for published original research papers in Dermatology, Venereology and Leprosy. A cash prize of Rs 25,000 each for one researcher below 35 years of age and one above 35 years of age, along with a certificate is given to the awardees. The award is given during DERMACON and the awarded research works are presented during IADVL research grant session, DERMACON. The evaluation for the 2 awards was done by members of IADVL Academy with a pre-decided evaluation sheet, approved by IADVL EC.

The winners are:

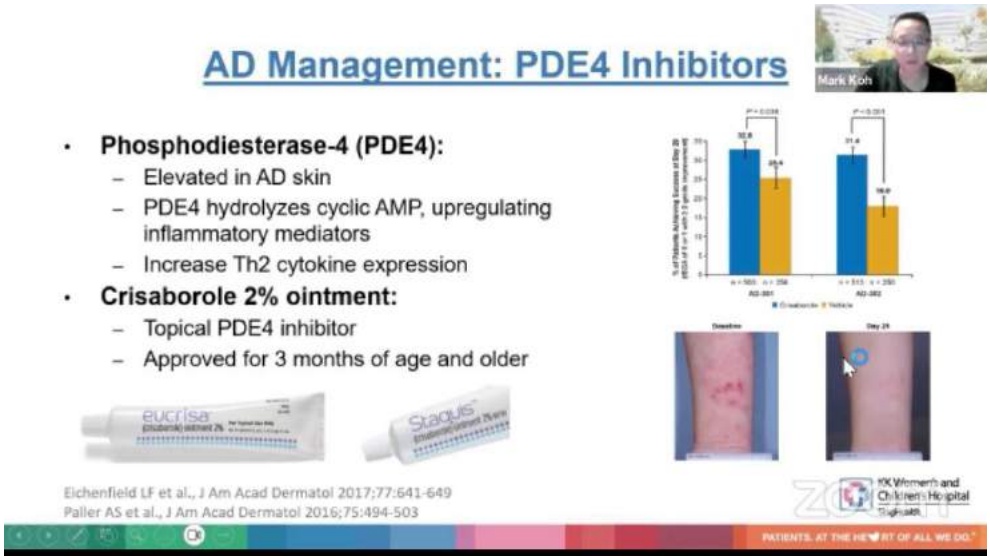
Dr Deepthi Konda	>35 years category	Konda D, Chandrashekar L, Dhodapkar R, Ganesh RN, Thappa DM. Clinical markers of herpes simplex virus infection in patients with pemphigus vulgaris. J Am Acad Dermatol. 2023 Mar;88(3):587-592. doi: 10.1016/j.jaad.2019.06.002. Epub 2019 Jun 10. PMID: 31195023..
Dr Rajat Choudhary	<35 years category	Choudhary R, Vinay K, Srivastava N, Bishnoi A, Kamat D, Parsad D, Bhatia A, Kumaran MS. Clinical, biochemical, and serologic predictors of drug reaction with eosinophilia and systemic symptoms syndrome: A prospective case-control study. J Am Acad Dermatol. 2021 Oct;85(4):901-909. doi: 10.1016/j.jaad.2021.03.075. Epub 2021 Mar 27. PMID: 33785387.

New initiatives in 2023:

With support from IADVL EC, for 2023 many new initiatives have been started/ continued

1. Dermatopathology Quiz based teaching: This is done by Dr Sasi Kiran (Member SIG Dermatopathology) once every two months in collaboration with Dermatopathology society of India and is well received by the post graduates.
2. Dermatosurgery procedural videos: Short videos prepared by SIG Dermatosurgery are being shared with members and are uploaded on our website to help members learn basic Dermatosurgery procedures.
3. Flashcards and educational videos by taskforce biologics and small molecules: Flashcards on common drugs like Secukinumab, Apremilast, Rituximab has been prepared and shared.

4. Update on AD webinar series: A four series webinar on AD updates has been planned with two webinars completed.
5. Urticaria webinar: Two international speaker programs were conducted on urticaria.



IADVL Publications

Books

This year four handbooks/ atlas will be prepared under presidential project. These are

- Bedside tests in Dermatology
- Therapeutic pearls & Anecdotal therapies in Dermatology
- Concise atlas of Internal diseases and cutaneous clues

4th?

The table of content with the authors were approved by IADVL Academy and IADVL EC and the work is in progress.

Newsletters

Newsletters by SIG Acne & appendageal diseases and SIG leprosy were released. Newsletters for SIG Lasers, Dermoscopy, FGD and pigmentary disorders are in the final stages of typesetting and will be soon released.

- *Dr Mala Bhalla ,**IADVL Publications Coordinator***

IADVL 2024 Calendar:

A painting competition activity was planned and conducted under guidance of IADVL EC on World vitiligo day. Twelve best entries were selected and converted into a calendar and one painting was chosen for a commemorative postal stamp.

IADVL E-LIBRARY

The IADVL e-library project subscribes the following Journals published by John Wiley and Sons– Journal of Cutaneous Pathology, Pediatric Dermatology, Journal of Dermatology, Journal of the European Academy of Dermatology and Venereology and International Journal of Dermatology. The list of members with direct access (IADVL EC, Academy members, SIG coordinators, IJDVL and IDOJ editorial board members, and state branch nominees) is available at our website.

Articles can be obtained within 24 hours by writing to iadvlejournals2015@gmail.com or the respective state nominees mentioning the IADVL membership number and providing the citation, URL or PMID/DOI details.

- Dr Sudipta Roy, Coordinators, IADVL e-Library

IADVL Academy ZOOM Webinar Platform

IADVL academy after approval from IADVL EC has subscribed to the Zoom Webinar (for 500 delegates) platform for 2023 also. A number of webinars have been conducted on this platform. The platform was also utilized by IADVL YUVA committee for conducting many activities online.

WORKSHOPS/CMEs conducted by the SIGs

IADVL SIG Activities

Dr Dr Abhishek Bhardwaj & Dr Kanika Sahni, IADVL SIG coordinators

SIG Acne & appendageal diseases:

CME's conducted: August 13th, 2023 – Cuttak, Odisha, 3rd december 2023 Raipur. MIDDERMACON 2023- participation by SIG Acne. A study on the epidemiology and QOL index in patients with Acne, a multi-centric, prospective study- in progress.

(Dr Nina Madnani, Coordinator; Dr Rochelle Monteiro, Convener)

SIG Aesthetics

Conducted 3 CME cum Hands-on workshops at Indore (10 Sep), Vizag (19 Nov), and Dehradun (10Dec). The newsletter prepared will be soon published.

(Dr Gulhima Arora, Coordinator; Dr Rajat Kandhari, Convener)

SIG Dermatology Clinical Research

IADVL PG Thesis evaluations and BV Satynarayana Thesis Award evaluations were done. A 1-day CME on "Research Methodology, Publication and Ethics done in Guwahati on 17.12.2023 in association with NE-IADVL branch. Two articles submitted for publication - Qualitative Research in Dermatology; Big Data in dermatological research; SIG DCR Research Helpline utilized by PG student- online zoom meeting conducted by the SIG DCR Co-ordinator and Convenor to clear the doubts; SIG DCR podcast was conducted- Dr Ajithkumar interviewed Dr JP Muliyil, a renowned epidemiologist, on his research journey.

(Dr Ajithkumar K, Coordinator; Dr Divya Gupta, Convener)

SIG Dermatopathology

Conducted Dermatopathology workshop cum CME, at MGM Institute of Health Sciences, Kamothe, Navi Mumbai, 27th august 2023. Continued the activity of "Image of month (from July till date). Conducted bi-monthly Dermatopathology Quiz based teaching on 31st August 2023 and 9th November 2023 (by Dr Sasi A). Conducted ACAD quiz in the month of August 2023 (presented by Dr Geeti Khullar, Dr Nandkumar G, Dr Saurabh Singh, Dr Debyjoti C, Dr Sanjana A, Dr Abhineetha H). Recorded Podcast on 8th November 2023 on "Scope and opportunities in Dermatopathology for beginners" Expert: Dr Nandkumar G, Interviewer: Dr Meghana Phiske. Evaluated International dermatopathology observership applications. Completing the review article on "Basic and advances in Direct Immunofluroscence" to be submitted in IJDVL. *(Dr Meghana Phiske, Coordinator; Dr Geeti Khullar, Convener)*

SIG Dermatosurgery

The SIG has done three live surgery workshops – Hyderabad, Surat and Raipur. The fourth one will be conducted at Delhi. These workshops have been very well attended and have served the purpose of stimulating the faculty and residents to take up dermatosurgery in their regular practice.

(Dr Yogesh Bhingradia, Coordinator; Dr Nitin Jain, Convener)

SIG Dermoscopy

Physical CMEs/workshops at Raipur (20/8/23) & Guwahati (15/10/23). Virtual advanced master class on Tumors (27/7/23) and Mucoscopy (12/10/23). Newsletter on Interventional

Dermoscopy sent for publication. Postgraduate email helpline working for members to help assess the Dermoscopy images. IADVL International podcast with Dr Enzo Errichetti (28/9/23). Syllabus for short term Dermoscopy Observerships prepared. Multicentric study on procedural dermoscopy on going. Data collection for online survey on dermoscopy use on going.

(Dr Yasmeen j Bhat, Coordinator; Dr Bishwanath Behera, Convener)

SIG Female Genital Dermatoses

On 13/08/20223 a physical CME on Female Genital Dermatoses- Practice Pearls was held in Vadodara at Hyatt place from 10:00am – 1:30pm. It was attended by 60 delegates. Gujarat Medical Council gave 3 credit hours. On 24/09/2023 a Online Journal Club 3 – Vulvar premalignant lesions was conducted. The chairpersons were Dr Mansi Kansal and Dr Dipti Desai. On 26/11/2023 a physical CME on Challenges and solutions – Case based discussion was held in Pune at Sheraton Grand, from 10:00am to 2:00pm. Maharashtra Medical Council granted 1 credit point. On 16/11/2023 IADVL Podcast Episode 3 was released by SIG FGD, exploring the unexplored, speakers were Dr Krati Mehrotra , Dr Dhanashree Bhide. SIG FGD Newsletter was also submitted to academy.

(Dr Dhanashree Bhide, Coordinator; Dr Rashmi Mahajan, Convener)

SIG Lasers

Conducted SIG workshop and symposium with IADVL Gujurat at Ahmedabad on 23rd July. SIG workshop we held at Tamil Nadu state Cuticon on August 11th. SIG workshop and symposium was conducted in October 8th in Patna with IADVL Bihar state branch and SIG laser workshop was there in Dermazone South at Puducherry on 12th October . Another SIG workshop and symposium was held at Thrissur , Kerala along with Kerala state IADVL and Thrissur Dermatology society on 22nd October and an SIG session was held in South Zone , Calicut on November 3rd-5th. The newsletter has been prepared and is undergoing the

corrections as recommended by the Academy. One more SIG laser workshop is planned for Bhubaneswar *(Dr David Pudukadan, Coordinator; Dr Rahul Pillai, Convener)*

SIG Leprosy

Conducted two physical CMEs and published a newsletter.

(Dr Sunil Gupta, Coordinator; Dr Swetalina Pradhan, Convener)

SIG Neglected Tropical Diseases

Conducted a session on NTDs in Punjab Cuticon, with talks delivered by various sig members and coordinator.

(Dr Tarun Narang, Coordinator, Dr Shagufta Rather, Convener)

SIG Pediatric Dermatology

Peddermacon2023 at PGI Chandigarh on 29th-30th July, CME on Pediatric Dermatology on 10th Pdec 2023, Participation in ACAD case discussions during the month of September 2023, Received Approval from IADVL Research Grant for the project entitled “Multicentric study to unveil the mutational spectrum of genodermatoses across different regions in india using multi-gene targeted next-gen sequencing”, Two research publication accepted in pubmed indexed journals- 1.RASopathies: evolving concepts in pathogenetics, clinical features, and management in IDOJ, 2.Algorithmic Approach Towards Diagnosis Of Patients With Congenital Photosensitivity Disorders and Review of literature in International Journal of Dermatology

(Dr Rahul Mahajan, Coordinator; Dr Maitreyee Panda, Convener)

SIG Pigmentary Diseases

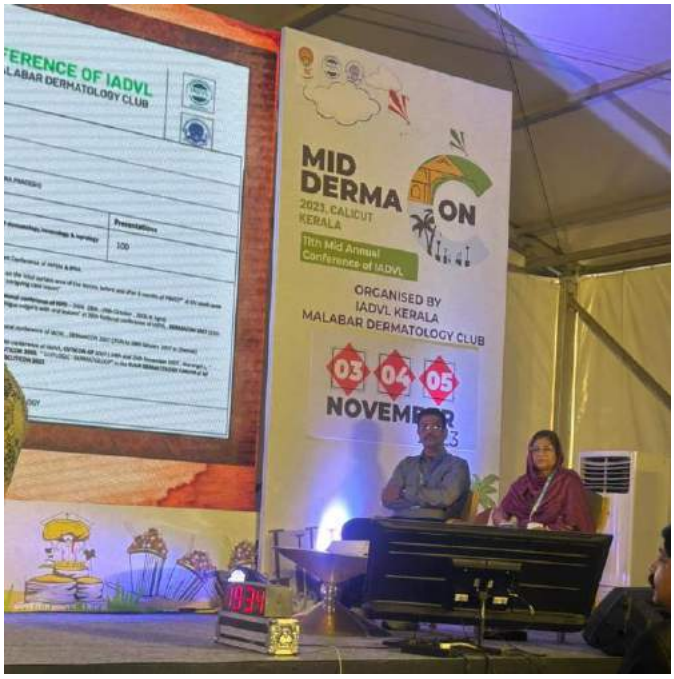
CME conducted in association with IADVL EC ,& IADVL Bihar state branch Hyperpigmentation on 10th September 2023 at Hotel Maurya, PATNA , attended by 70-80 delegates. CME conducted in association with IADVL EC ,& IADVL Gujarat state branch on" Insights in Hyperpigmentation" on 8th October 2023 atVadodara (Hotel ITC Welcome) Total 78-80 delegates participated. CME planned In association with IADVL EC ,& IADVL Himachal state branch on "Therapeutic insights in Pigmentary disorders – Current trends" is scheduled on 10th December 2023 at Amritsar (Hotel Radisson blue). SIG Pigmentary disease collaborated with YUVA Cell on Monthly Instagram AMA live on 22nd July 2023 . Session was on "Facial hyperpigmentation " by Dr Guneet Kaur. News letter on "Nonmelanin pigmentary conditions of skin "is accepted by IADVL Academy and is under print

(Dr Pooja Mrig, Coordinator; Dr Pragya Nair, Convener)

SIG Pruritus

A CME during Mid Dermacon on 4-11-23 in which -A talk on Topical therapy of Pruritus by Dr Najeeba Riyaz,Pruritus in CKD by Dr Praveen Kumar,Quiz by Dr Deepthi Chigullapalli..Online CMEon Oncogenic Pruritus on 11-8-23.Regular bi monthly cross word puzzle by Sahana Srihari in Acad google.Acad discussion in December.

(Dr Najeeba Riyaz, Coordinator; Dr Praveen Kumar, Convener)



SIG Psoriasis

SIG Psoriasis in collaboration with IADVL Maharashtra organized a physical CME in Mumbai, with the theme “Unraveling the complexities of Psoriasis’’ on 30th July. On 3rd September physical CME with the theme-‘’Exploring new frontiers in Psoriasis’’ was held at Ranchi in association with IADVL Jharkhand. On the eve of World Psoriasis Day, physical CME was organized in association with IADVL West Bengal. Dr. Shraddha, a member of SIG Psoriasis, participated as faculty in the webinar organized by YUVA cell on 28th November. Dr. Saurabh Singh, a member of SIG Psoriasis conducted an awareness program in AIIMS, Jodhpur on the eve of World Psoriasis Day. Dr.Venkata chalam delivered a lecture on the Treatment of psoriasis in special populations at DERMAZONE SOUTH, Pondicherry on 15th October and another on the Role of Biologics in Psoriasis in CUTICON AP on November 25 th. A newsletter packed with psoriasis insights and a handbook brimming with essential information are both in progress.

(Dr Sudip Das, Coordinator; Dr Venkata Chalam K, Convener)

SIG Recalcitrant Dermatophytosis

One-hour public awareness session on dermatophytosis and do’s and don’t s in Hello Doctor programme in FM Rsinbow101.4 by Dr R. Madhu on 21.07.23. SIG RD CME’s were conducted in Noida on August 27th; Mumbai on October 15th; Jammu on November 18th and Bhubaneswar on November 19th. Fungal disease awareness week (September 18th to 22nd)

was observed by the SIG RD team at the various centres, during which patients, MBBS undergraduate students, nursing students, interns and Community medicine residents were addressed about dermatophytosis, hazards of topical corticosteroids combination creams , and the do's and don't.s. Posters on Do's and don't s for patients with dermatophytosis prepared in 13 languages in collaboration with a pharmaceutical, for distribution to dermatologists and general practitioners across India. In MID DERMACON 23, held at Calicut, SIG RD coordinator Dr. R. Madhu moderated a panel titled " Tackling the 3 R's of dermatophytosis ", in which the SIG RD advisor Dr. Kabir Sardana and 2 members- Dr Ananta Kurana and Dr Smitha Prabu were the panelists.

(Dr Madhu R, Coordinator; Dr Atiya Yaseen, Convener)

SIG Trichology and HT

Conducted two physical workshops at Jammu and Pune.

(Dr Syed Mubashir, Coordinator; Dr Pradeep Kumari, Convener)

Taskforce Dermatology Nursing:

The curriculum for nursing course has been prepared by the team and modified as per the suggestions of IADVL Academy.

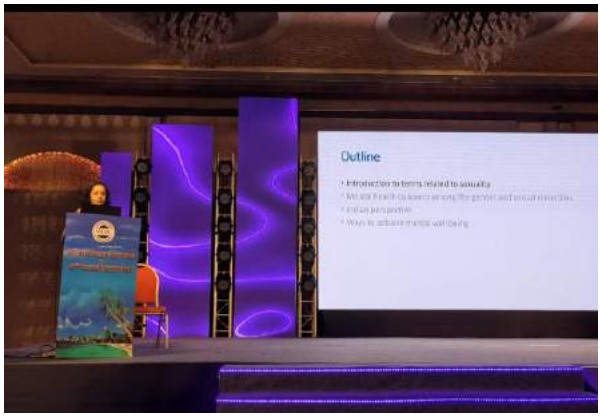
(Dr S R Narahari, Coordinator)

Taskforce HIV & STD:

Conducted Webinar series (2 parts) 20 August and 9 September 2023, coordinator Dr Vikrant Saoji. The WhatsApp discussion group is extremely vibrant with more than 800 members. Members (Drs Abhinneta, Murugan) participated in ASTICON as speakers and in panels. Dr Malathi participated in a panel discussion in Dermazone East, 2023.Dr Swastika spoke on Mental health and LGBTQ there. Dr Santoshdev Rathod spoke on case-based approach to

ulcerative STIs. He also participated in NAAD, Ahmadabad. He helped creating a quiz on STIs at Mid Dermazone, which was conducted by Dr Abhinita. Dr Swastika presented at Clinicon, Srinagar on Updates on STI guidelines. On the World AIDS day many members conducted awareness programs, were on FM channels locally. Dr Ravi Rathod conducted a CME on STIs.

(Dr Leelavathy B, coordinator; Dr Vinay Kulkarni, convener)



Taskforce Biologics & small molecules:

Physical CMEs: Two CMEs conducted in coordination with respective state branches at Ahmedabad (20 August) and Lucknow (3rd December), good attendance and well appreciated Flash Cards: Apremilast, Secukinumab, Rituximab Omalizumab, Ixekizumab Educational Videos: Rituximab, Secukinumab, Omalizumab, Biologics and Small molecules in Atopic dermatitis Research: Data collection for multi centric study on rituximab and first round of Delphi questionnaire for rituximab

(Dr Vishalakshi V, coordinator; Dr Shekhar Neema, Convener)

IADVL Academy Account

All the research grants, scholarships, Observerships stipends are reimbursed from the IADVL Academy account at Rishikesh (Uttarakhand). According to the decision taken by central

finance committee the payments for digital academy platform and CMEs were also be done through the academy account. A monthly statement with all receipts is being submitted to the treasurer regularly.

Receipts	***Amount***	***Expenditure***	***Amount***
